The Deeper Intelligence

David Goodman Croly

The Deeper Intelligence:

The Deeper Intelligence Andrew G. Hodges, 1994 Dr Hodges explores the deeper intelligence that everyone possesses and explains how to access it offering readers the potential for using the untapped areas of their subconscious minds to achieve goals improve relationships and make their lives more productive and enjoyable Heaven and Hell Emanuel Swedenborg, 2010-06-04 Gain an expansive understanding of life after death with Emanuel Swedenborg's Heaven and Hell an unparalleled exploration of the spiritual world In this seminal work Swedenborg shares his extraordinary experiences of visiting heaven and hell providing a detailed account of the afterlife based on what he heard and saw Heaven and Hell delves deep into the structure and nature of spiritual realms explaining the spiritual laws that govern them and offering profound insights into what happens to us after we die Readers will discover the beauty and harmony of heaven why some people choose hell and the state of souls in the world of spirits Swedenborg's vivid descriptions and spiritual teachings offer a path to understanding our eternal journey and the reality of divine love that sustains us Whether you are curious about life after death seeking spiritual growth or interested in Swedenborg's theology Heaven and Hell provides transformative wisdom and a compelling vision of the afterlife Join countless readers who have found comfort inspiration and enlightenment in Swedenborg's revelations and embark on your own journey of spiritual discovery Living Your Magic Robert Anthony, 2019-09-03 Living Your Magic lays out how life when people really look at it is like a magic trick A magic trick works because of illusion and misdirection And with all sorts of tricks of the mind human thinking and perception works just like a magic trick When people don't understand how the trick is done they get fooled every time In Living Your Magic Dr Robert Anthony teaches readers how to look at their life before the trick or the illusions happens and how to never be fooled again Rather than following the same flawed premise behind almost every self help therapeutic or personal development methodology that projects people having a separate self that needs fixing Living Your Magic sees that self as an illusion The problem is that most people don't recognize it as an illusion and believe they must change or improve their self before they can be happy and live a magical life Dr Anthony reveals that everyone has an Inner Creative Genius that allows them to live a magical life if people would only learn to trust it and get out of their own way In that way life becomes easier by giving people less to think about less to remember and less to do so they can truly enjoy their mind and enjoy their life How the World is Making Our Children Mad and What to Do About It Louis Weinstock, 2022-06-09 I know of no one better qualified to understand what young people are facing today Philippa Perry There are epidemic rates of ADHD depression anxiety self harm and suicide in young people The conventional medical model wants to put a plaster on the problems with medication and CBT but we as parents need to dig deeper We need to face the fact that it is not our child's fault but the world we are bringing them up in and that we play a key role in how they see this world Bringing together years of work helping children and the child inside us all acclaimed psychotherapist Louis Weinstock will show us how Split into two parts and blending

mindfulness meditation and visualisation we are taken on a journey that starts with exploring our own fears and weaknesses and ends joyfully in practical ways we can help build confidence courage and authentic hope about the future in our children The power lies within each of us to create with and for our children a more beautiful world right now a world where they realise their almost infinite potential
