The Devil's Gardens Lydia Monin, 2011-12-31 The image I have is a kid on a country lane on a Saturday afternoon herding his family cattle meaning no harm to anybody and putting one step wrong It s one thing to die in combat it s one thing to die defending land but it s

another thing to die tending cattle on a Saturday afternoon and we want a world where that doesn't happen Michael Ignatieff During the twentieth century a landmine plague raged across the globe It began on the battlefields of two world wars it gathered momentum in Korea and Vietnam and then spread like wildfire throughout the developing world The Devil's Gardens is the definitive story of the landmine It is the story of the development and proliferation of a weapon of terror It is also the story of suffering and devastation and a worldwide crusade to put an end to the curse of landmines forever The issues surrounding landmines and their continued use are controversial Drawing on a wide range of distinguished interviewees and the authors first hand experiences in severely mine affected countries The Devil's Gardens look at all sides of the landmine story

The Devil's Trick John Boyko, 2021-04-13 Forty five years after the fall of Saigon John Boyko brings to light the little known story of Canada's involvement in the American War in Vietnam Through the lens of six remarkable people some well known others obscure bestselling historian John Boyko recounts Canada's often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam's prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide ranging and fascinating accounts Boyko exposes what he calls the Devil's wildest trick convincing leaders that war is desirable persuading the public that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada's side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies
