Her own social life however is teetering on the verge of non-existence. With the last of her friends tying the knot and the threat of being replaced at work by some annoying London girl it's time for drastic action. Determined to find the ideal partner to take to the wedding, Katie decides to register on a dating website. And when the resulting liaisons turn into experiences worth writing about, she suddenly finds herself the unwitting star of a hugely popular new column. Will her newly acquired social status as a minor celebrity help in her quest or is she destined to go to the wedding alone again.
