Pich, 2024-10-09 Tongues on Fire is written for those who are interested in or confused about the current tongues phenomenon sweeping through the church today Many believe it is a manifestation of the Holy Spirit promised as the age draws to a close Others are not so sure Is there a special prayer language given to believers from the Holy Spirit for us to speak to God Is speaking or praying in tongues a sign of true spiritual endowment available to all believers Is it possible that by not embracing this experience one might miss out on something God wants for His people Confusion and uncertainty regarding this important and increasingly pervasive subject can perplex even the most seasoned believer In Tongues on Fire R L Pich will examine the history and Biblical teaching regarding the gift of tongues and will investigate whether the modern tongues movement is from God or a product of misunderstanding or worse It is a must read for anyone interested in developing a biblical understanding of this spiritual gift **Forthcoming Books** Rose Arny, 2001 **Are Christians Mormon?** David L.
