Speaking Parables A Homiletic Guide:

Speaking Parables David Buttrick,2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one *Preaching the Parables* Craig L. Blomberg,2004-07 A

guide to preaching the parables that shows how to first interpret the parables then proclaim their significance *The Web of Preaching* Richard L. Eslinger,2002 The book is a follow up to Eslinger's earlier *A New Hearing* the standard text on the varieties of homiletical method since its publication in 1987

BOOK JACKET *Biblical Preaching* Robert Curry,2023-12-11 Preaching is a demand of the Bible that is fitted with a specific purpose and a strong theological base It is the proclamation

of the word of God and is done in churches throughout the world Preaching plays a role in the spiritual formation of its hearers helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey The topics of preaching can be found in both the Old and New Testaments within several different genres but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts As a topic of preaching the parables can be understood as examples of allegory simile and or metaphor The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it Preaching is a demand of the Bible and a specific task of those who are privileged to do it
