Hidden Power of Speaking in Tongues

Mahesh Chavda,2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book They Speak with Other Tongues The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift

Audacity of Speaking in Tongues Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

The Unseen Dynamics of Speaking in Tongues Steven Adi, 2018-05-23

Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before. Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind. There are certain questions you have always pondered upon while considering the subject of speaking in tongues. A number of them highlighted below:

Why did God decide that we Christians should pray with other tongues? Have you ever wondered the operations that go on spiritually on account of our prayer in tongues? What are the realities and facts that distinguish praying in tongues from praying normally? How much are we able to achieve within a short while when we pray in tongues? Ever wondered what is the best mode of prayer? Is it possible that Satan can block the answers to our prayers from reaching us? Why was the answer to Daniel's prayers delayed by the Prince of Persia? How can our prayers address the things that we do not have knowledge of? The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through. The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues. It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues. This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues.

Kathleen Schwab, Matthew Schwab, Chris McKinney, 2020-02-02 Have you ever wondered why your prayer language doesn't sound like real words? And why is it so repetitive? Why does it usually start with the same few words or syllables? Maybe you've asked those questions at times. We've asked the same questions and quite a few others regarding the gifts of tongues and interpretation of tongues. Then we sought the Lord for understanding of these gifts and did our best to operate in them faithfully. He gave us many insights and answers and then brought it all together in a book. That was something we never really planned. It just sort of happened. We aren't megachurch pastors. We don't lead multi-national ministries. But we did have a calling from the Lord to write a book and spread a message. What exactly is that message? Speaking in tongues and interpreting tongues are powerful gifts with practical use for everyday people like us. When people operate in these gifts, God blesses the person operating in the gift but He also blesses the people around them. Other Questions We Explore in the Book: What does speaking in tongues feel like emotionally? What is the purpose of speaking in tongues? What are the benefits? How does the gift of interpretation work? Are biblical tongues earthly languages or heavenly languages? Or both? We invite you to explore these questions with us as you read through our book. What the Bible Says about Speaking in Tongues John Argubright,2014-05-22

The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets
