The Return of the Public in Global Governance Jacqueline Best,Alexandra Gheciu,2014-02-20 Many international relations scholars argue that private authority and private actors are playing increasingly prominent roles in global governance This book focuses on the other side of the equation the transformation of the public dimension of governance in the era of globalization It analyses that transformation advancing two major claims first that the public is beginning to play a more significant role in global governance and second

that it takes a rather different form than has traditionally been understood in international relations theory The authors suggest that unless we transcend conventional wisdom about the public as a distinct sphere separate from the private domain we cannot understand the dynamics and consequences of its apparent return Using examples drawn from international political economy international security and environmental governance they argue that the public should be conceptualized as a collection of culturally specific social practices Heritage Auctions US Coin Auction Catalog #1154, Chicago Mark Van Winkle,2011-03 **Lippincott's Monthly Magazine**,1882 *TV Finales FAQ* Stephen Tropiano,Holly Van Buren,2015-11-01 *FAQ TV Finales FAQ* is the first book devoted exclusively to television s most memorable series finales From Mary Richards heartfelt goodbye to the WJM TV newsroom in the classic finale of The Mary Tyler Moore Show to the puzzling conclusion of the enigmatic adventure series Lost to the tumultuous final hours in the life of Breaking Bad s Walter White *TV Finales FAQ* takes an up close insightful and entertaining look at the most memorable final episodes of television s most popular prime time daytime and late night series Crafting the final episode to a long running television series can be challenging for producers and writers who want to remain faithful to the show s characters and history yet at the same time satisfy the high expectations of its loyal fan base *TV Finales FAQ* offers television viewers the inside story on the creation broadcast and aftermath of the most famous and infamous final episodes of over 50 television series from the 1960s through the present day The books features such shows as Dexter Roseanne Will Grace X Files The Sopranos and some classic talk and late night programs such as The Oprah Winfrey Show and The Tonight Show Starring Johnny Carson and many others
