

# SOVIET PRESIDENT MIKHAIL GORBACHEV – SPEECH IN MURMANSK AT THE CEREMONIAL MEETING ON THE OCCASION OF THE PRESENTATION OF THE ORDER OF LENIN AND THE GOLD STAR TO THE CITY OF MURMANSK

Murmansk, 1 October 1987

*"The community and interrelationship of the interests of our entire world is felt in the northern part of the globe, in the Arctic, perhaps more than anywhere else. For the Arctic and the North Atlantic are not just the "weather kitchen", the point where cyclones and anticyclones are born to influence the climate in Europe, the USA and Canada, and even in South Asia and Africa.*

*I would like to invite, first of all, the countries of the region to a discussion on the burning security issues.*

*The potential of contemporary civilization could permit us to make the Arctic habitable for the benefit of the national economies and other human interests of the near-Arctic states, for Europe and the entire international community.*

*Let the North of the globe, the Arctic, become a zone of peace. Let the North Pole be a pole of peace."*
