Speed Culture:

The Speed Handbook Enda Duffy, 2009-07-20 An argument that the sensation of speed made available to many through the mass produced automobile was the quintessential way that people experienced modernity *The Speed Culture* Lester Grinspoon, Peter Hedblom, 1975 Describes the popular rationals for and social forces motivating amphetamine use in America and the often physically and psychologically damaging effects of the drugs *Killer High* Peter Andreas, 2022-01-17 In *Killer High* Peter Andreas tells the story of war from antiquity to the modern age through the lens of six psychoactive drugs alcohol tobacco caffeine opium amphetamines and cocaine Armed conflict has become progressively more drugged with the global spread of these mind altering substances From ancient brews and battles to meth and modern warfare drugs and war have grown up together and become addicted to each other By looking back not just years and decades but centuries Andreas reveals that the drugs conflict nexus is actually an old story and that powerful states have been its biggest beneficiaries

Queer Natures, Queer Mythologies Sam See, 2020-01-07 *Queer Natures Queer Mythologies* collects in two parts the scholarly work both published and unpublished that Sam See had completed as of his death in 2013 In Part I in a thorough reading of Darwin See argues that nature is constantly and aimlessly variable and that nature itself might be considered queer In Part II See proposes that understood as queer in this way nature might be made the foundational myth for the building of queer communities With essays by Scott Herring Heather Love and Wendy Moffat *Cocaine Rev* Lester Grinspoon, James B. rights and duties as men but that this should not require them to adapt to the distorted male system This study argues that this position easily characterized as essentialist in modern feminist terms is in fact functional and strongly emancipatory in its time and context In this reevaluation of V ckarklocka Katarina Lepp nen has established this important Swedish novel as a text central to the development of the feminist movement Elin W gner s Alarm Clock is a book suitable for students of Swedish Literature and European Feminism
