Mirko Chardin, Katie Novak, 2020-07-20. Our calling is to drop our egos, commit to removing barriers and treat our learners with the unequivocal respect and dignity they deserve. Mirko Chardin and Katie Novak. When it comes to the hard work of reconstructing our schools into places where every student has the opportunity to succeed, Mirko Chardin and Katie Novak are absolutely convinced that teachers should serve as our primary architects. And by teachers, they mean legions of teachers working in close collaboration. After all, it's teachers who design students' learning experiences, who build student relationships, who ultimately have the power to change the trajectory of our students' lives. *Equity by Design* is intended to serve as a blueprint for teachers to alter the all too predictable outcomes for our historically underserved students. A first of its kind resource, the book makes the critical link between social justice and Universal Design for Learning (UDL) so that we can equip students and teachers too with the will, skill and collective capacity to enact positive change. Inside you'll find concrete strategies for designing and delivering a culturally responsive, sustainable and equitable framework for all students. Rich examples, case studies and implementation spotlights of educators' students including Parkland survivors and programs that have embraced a social justice imperative. Evidence-based application of best practices for UDL to create more inclusive and equitable classrooms. A flexible format to facilitate use with individual teachers, teacher teams and as the basis for whole
