The Angel Turned Witch:

The Angel Turned Witch Rosalie Wadsworth,1991-01-01 **THE SEVEN WINGS OF WITCHCRAFT: VOLUME ONE** UDUAK IKONO,2014-11-02 The Seven Wings of Witchcraft is a spiritual classic anchored on divine inspiration It demystifies mysterious witchcraft operations that have placed many a Christian and a vast majority of people under the binding siege of the adversary and cogently proffers potent deliverance only in the able hands of the Almighty God In it are stark revelations that the devil is the ruler of this world John 12 31 that the world lies in his power 1 John 5 19 and that he is in consort with his human agents the inventor and custodian of malevolent entities and activities that have twisted the divine plan for humanity The book is a fountain of spiritual truth bringing an enthusiastic and didactic discovery that will improve the reader s walk with God In a true blend of spiritual depth insight and simplicity the book gives accurate information about the weapons of the enemy on the saved ones and recommends practical spiritual guides on how to conquer them

Autumn and the Angel Juanita Diane Friend,2020-04-14 The words on the pages of this book will transport the reader from the sun drenched heat wave in Florida to the awesome glory of Heaven Autumn arrives in God s Kingdom during its most peaceful era She participates in making our Lord s realm a productive one Many of her angelic brothers receive Father s medallion as a reward for their achievements Everyone seems happy but one brother demands titles a crown and a throne nearest to God s heart though he did nothing to earn his promotion His unhappiness grows until he betrays God gathers supporters and moves from the Sacred Region to the North There he sets up an empire and his reign of terror begins Autumn and Kaela work undercover in the North as God s all seeing eyes and all hearing ears They return to the Holy Kingdom where they become saints in Prince Michael s army Now the race is on to stop Lucifer from pursuing his plan to seize Father s throne A dungeon is built to house the lawless but angels are light loving entities who will perish in the darkness A sphere is built to house the leaders of the North Autumn is at God s side when a bloody altercation ensues between Prince Michael s saints and northern aggressors that results in Lucifer s capture and incarceration And she is present when Immanuel is introduced to Heaven s angels Autumn and the Angel is a faith based fantasy book that discloses the author s belief that more than Lucifer s desire to rule from God s throne led to his fall from grace This book is the first installment of Autumn s adventures in Heaven The second installment The Trial of the Great Lucifer reveals the result of Heaven s first criminal trial and the events that led to Lucifer s fall to Hell *The Witches from the Other Side of Hell* Dallas Dwayne Conn,2016-04-23 The Witches from the Other Side of Hell Dallas Dwayne Conn This story is full of witches and the evil spells that they cast in behalf of their lord the devil The more evil that they are able to do the more power that the devil gives to them They sacrifice anyone and everyone that they can to get the devils blessing The more that the devil likes them the stronger they shall become When the people in this story run into two witches that are really old they learn that the older the witch is the more powerful she becomes The warrior is sent out by God and one of his angels to destroy the witches That doesnt mean that his

job is going to be easy just because God and an angel are on his side The way that the witches use their evil magic to do their sacrifices is graphic and it goes into full detail of the skinning and the bloodletting Evil witches are deceivers of men and that is why God picks one man to become a warrior for him The warrior uses his faith in God to gain strength and wisdom to fight the battle between good and evil the fight between the good light and the darkness Who will win this fight to the death is in this book of evil and good magic Everything comes with a price and you will be left asking yourself if you have what it takes to make the right call The warrior is wearing his costume and it will give him great power What will you use to defeat the evil that the witches from the other side of hell throw at you The Witch Doctor Christopher Stasheff,2013-05-06 Saul didn't have so many friends that he would give one up without a fight So when Matt disappeared Saul started a search that led through Matt's kitchen window straight into a world of magic and desperate danger Saul discovered that in this world his love of verse made him a wizard But his newfound magic earned him a dreadful foe Queen Suettay a false monarch without peer for wickedness and corruption A fearsome sorceress herself with armies steeped in evil ready to obey her every sinful command she determined to break Saul's growing power or win his soul for Satan Fortunately Saul earned some stalwart friends as well Gruesome the troll and young Squire Gilbert Saul's own guardian angel and the beautiful if unsubstantial Angelique But he'd need the help of the mysterious Spider King to spin a web strong enough to trap this tyrant **The Encyclopedia of Angels** Rosemary Guiley,2004 An encyclopedia describing and giving the history of angels from the time when the earth was created forward using texts from Hebrew Arabic ancient and contemporary works *The Angel Chronicles* Gd Thompson Sr,2010-04 Disguised as fiction The Angel Chronicles takes you to a world undiscovered the real world and a world of personal discovery It chronicles the life of Rene Thomas Colby Just a man or so he thought Until he discovers how to start believing and understanding his feelings for what he feels at the deepest reaches of his heart He battles problems of the mind fears and doubts to discover what he doubted was his truth and the truth of so many Through his trials and tribulations he discovers the one thing he had lost for so long his heart On his journey of self discovery he finds out there is another like him only she doesn't realize the journey in which she is partaking It becomes a battle to aid her into coming out of the darkness as he is attempting He realizes a mission If she could only open up to the truth and gather the knowledge he tries to give her She too might really enjoy her purpose and that she actually has purpose and her existence accounts for something in the multitudes of what is abnormal In addition just how important she really is to the souls of FS 3 Can Rene find the strength to understand his feelings Will Rene seek to fight for those who really need him Can Rene bring her out of the darkness while he too stands in that darkness Can he find a way to understand its limits walk out of that darkness and be the abnormal thing he knows deep down he is Can he find the strength to admit it and believe it without doubting his heart again The Encyclopedia of Demons and Demonology Rosemary Guiley,2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world Includes numerous entries documenting beliefs
