**Thomas Morrison (LL.D.)**

## **The Apostles:**

All the Apostles of the Bible Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world **The Acts of the Apostles**, 1885 **The Acts of the Apostles and the epistles of Paul, arranged in the form of a continuous history. With notes critical and explanatory** Thomas Morrison (LL.D.), 1888 Lives of the Apostles of Jesus Christ David Francis Bacon, 1836 Homilies: On the Acts of the apostles. 1851-52 Saint John Chrysostom, 1851 **The Acts of the Apostles** Frederick Fyvie Bruce, 1990-12 This is a print on demand book and is therefore non returnable This detailed linguistic textual and historical commentary on the Greek text of Acts constitutes a welcome addition to contemporary evangelical scholarship In making this pervasive revision of his major work on the Greek text of Acts first published in 1951 F F Bruce has taken into account the tremendous volume of scholarly work and the advances in linguistic and historical knowledge during the last four decades The comprehensive introduction to this considerably enlarged edition includes a completely new section on the theology of Acts as well as the most recent research on such matters as the authorship date sources and style of Acts The book itself prints the Greek text of Acts paragraph by paragraph and each paragraph is followed by a verse by verse commentary that pays special attention to matters of vocabulary grammatical structure and historical importance Devoted as it is to an inductive study of the linguistic textual and historical aspects of the Greek text Bruce s Acts of the Apostles is a first rate first level commentary The philological and historical material here presented provides a solid foundation for further exegesis of the text of Acts **The Twelve: Lives and Legends of The Apostles** Frances Spilman, 2017-01-04 What were the Apostles of Jesus really like This book will examine the Gospels the Fathers of the Church Apocryphal writings encyclicals and other sources to search out the Apostles personalities and history Along the way we will look at the prayers poetry music and architecture the Apostles inspired and see how these twelve men are still teaching us today almost 2 000 years after their deaths We will see how the faith spread throughout the Roman Empire and even beyond its borders and how each Apostle met his death You will be surprised at the many different paths of the Apostles as they witnessed for Christ

The Acts of the Apostles Ellen G. White, 2015-08-24 Volume 4 of the Conflict of the Ages book series The Acts of the Apostles covers from the Great Commission to John the Revelator on Patmos This key Seventh Day Adventist text explains in detail the SDA understanding of the conflict between God and Satan and their understanding of the Bible and much of world history White wrote the series based on her research of other authors and special information which she claimed to receive through visions from God The books thus include unique insights and concepts not found in other works of the time The Acts of the Apostles Lyman Abbott, 1876 **A Commentary on the Acts of the Apostles** C. M. Du Veil, 1851 **Harmony of the Acts of the Apostles and Chronological Arrangement of the Epistles and Revelation, with Chronological and Explanatory Notes, and Valuable Tables. Designed for Popular Use, and Specially Adapted to Sunday-Schools**

George Whitefield Clark, 1897     The Acts of the Apostles James D. G. Dunn, 2016-09-03 Authored by one of the world's leading New Testament scholars this commentary on the Acts of the Apostles was originally published in 1996 James Dunn first takes the reader through questions of authorship audience date purpose and literary structure He then considers the kind of history writing that we find in the narrative of Acts delineates the book's theological teaching and offers bibliographic comments on sources and selected studies including work published between 1996 and 2016 This commentary as a whole provides the information and perspective necessary for reading to best effect what Dunn believes is the most exciting book in the New Testament     The oldest church manual called the Teaching of the Twelve Apostles Philip Schaff, 1885     **The Acts of the Apostles** Michael Baumgarten, 1854     **Who Are the Apostles** Robert Scudieri, 2016-01-26 Most Christians associate the word apostle with the leaders of early Christianity But few realize there is far more to its meaning and origins In *Who Are the Apostles* author Rev Dr Robert Scudieri offers a rich history of the term from its original Greek concept to the office among the Jewish people and to the profound changes to the idea made by Jesus himself This remarkable book then traces the lives of Jesus's twelve apostles where they traveled which countries they evangelized and where they planted new churches He examines the various traits that made them uniquely suited for their work and compares those qualities to today's missionaries especially the missionaries to America and the unique calling they have to reach every ethnic group In the vein of Augustus to Constantine by Robert M Grant *The Apostolic Imperative* by Carl E Braaten and *Evangelism in the Early Church* by Michael Green this extraordinary resource seeks to not only honor the Christian missionaries both past and present but also to reach out to those who might be unfamiliar with the gospel of Jesus Christ     The Mass of the Apostles Joseph Husslein, 1929     **"The" Nicene and Apostles' Creeds** Charles Anthony Swainson, 1875     **The Apostles** Donald Guthrie, 1975 It is impossible to understand the vitality of the Christian Church in the days of the apostles apart from an awareness of the power of the Holy Spirit in the lives of the apostles From a fearful beginning before Pentecost the Church suddenly came alive as the Spirit was poured out on all the believers who had gathered to pray Professor Guthrie traces the dramatic history of the Church as narrated in the book of Acts showing how the Holy Spirit gave boldness to witness wisdom to make decisions and insight into the truly universal character of the Church as both Jews and Gentiles were given the grace of repentance The Church was not free of difficulties and crises But these too were necessary for the growth of Christians in that fellowship known as the Body of Christ Many of the apostles woke in response to weakness and opposition and suffering and these writings remain as inspired Scripture for the strengthening of the saints of God Through the centuries the inspired letters to the churches have given both incentive for ethical living on earth and hope for a glorious future when all things will be made new This book will help one to see the living Church of Jesus Christ as the apostles saw it and wrote about it The record of their love and labor for the Lord makes this an excellent companion volume to the author's earlier work *Jesus the Messiah* Says Prof Guthrie of his new work It is hoped that this book like its companion volume will inspire many to a more

diligent study of the New Testament itself For this reason it is arranged in convenient sections to provide a basis if desired for daily studies over a period of six months The relevant New Testament passages are noted in each section Thoroughly indexed and cross referenced The Apostles provides insight into and application of the New Testament writing *Apostles and Their Times* Mike Aquilina,2017 Here is an unflinching look at the lives and sacrifices of those first Christians who were given the task of spreading the Gospel to the ends of the earth Relying on the ancient documents as well as latest archeological findings and scientific research acclaimed author Mike Aquilina takes you on a journey through the Apostolic Age bringing to life the ancient streets and crowded marketplaces through which Mary and the Apostles journeyed as they built a Church that lasts even to our day You ll also discover the beliefs of the early Christians what they taught about the Eucharist and the Divinity of Christ how their Church services resembles today s Mass and how Rome became the spiritual center for Christianity Read these pages and you ll come to see that despite the best efforts of their enemies the blood of the Apostles did not snuff out the Faith but brought forth great saints whose holy deeds and brave examples gave the besieged Church a vigor that lasts even to today The Apostles and Their Times will give you confidence that the Church is indeed Christ acting in the world and that no matter how ruthless her opponents she will endure to the end of time **The Acts of the Apostles** Joseph Rawson Lumby,1916
