

THE ARAB AWAKENING

THE STORY OF THE NATIONAL ARAB MOVEMENT

By

George Antonius

تَبَاهُ وَاسْتَيْقِظُوا أَيُّهَا الْعَرَبُ

Arise, ye Arabs and awake!
Ode by Ibrahim Yazeji.

The Arab Awakening

**Kenneth M. Pollack, Daniel L.
Byman, Akram Al-Turk**

The Arab Awakening:

The Arab Awakening George Antonius, 1963 *The Arab Awakening, the Story of the Arab National Movement*, by George Antonius ... George Antonius, 1945 *ARAB AWAKENING* GEORGE. ANTONIUS, 2018 [Arab Awakening](#) Antonius, 2016-01-31 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **"The" Arab Awakening** George Antonius, 1938 *The Arab Awakening* Kenneth M. Pollack, Daniel L. Byman, Akram Al-Turk, 2011-10-01

Even the most seasoned Middle East observers were taken aback by the events of early 2011. Protests born of oppression and socioeconomic frustration erupted throughout the streets; public unrest provoked violent police backlash; long established dictatorships fell. How did this all happen? What might the future look like and what are the likely ramifications for the United States and the rest of the world? In *The Arab Awakening*, experts from the Brookings Institution tackle such questions to make sense of this tumultuous region that remains at the heart of U.S. national interests. The first portion of *The Arab Awakening* offers broad lessons by analyzing key aspects of the Mideast turmoil such as public opinion trends within the Arab Street, the role of social media and technology, socioeconomic and demographic conditions, the influence of Islamists, and the impact of the new political order on the Arab-Israeli peace process. The next section looks at the countries themselves, finding commonalities and grouping them according to the political evolutions that have or have not occurred in each country. The section offers insight into the current situation and possible trajectory of each group of countries, followed by individual nation studies. *The Arab Awakening* brings the full resources of Brookings to bear on making sense of what may turn out to be the most significant geopolitical movement of this generation. It is essential reading for anyone looking to understand these developments and their consequences.

Arab Awakening and Islamic Revival Thomas Molnar, 2017-07-05 Over the past decade, the political ground beneath the Middle East has shifted. Arab nationalism, the political orthodoxy for most of this century, has lost its grip on the imagination and allegiance of a new generation. At the same time, Islam as an ideology has spread across the region, and Islamists bid to capture the center of politics. Most Western scholars and experts once hailed the redemptive power of Arabism. *Arab Awakening and Islamic Revival* is a critical assessment of the contradictions of Arab nationalism and Islamic fundamentalism and the misrepresentation of both in the West. The first part of the book argues that Arab nationalism, the so-called Arab awakening, bore within it the seeds of its own failure. Arabism as an idea drew upon foreign sources and resources. Even as it claimed to liberate the Arabs from imperialism, it deepened intellectual dependence upon the West's own romanticism and radicalism. Ultimately, Arab nationalism became a force of oppression rather than liberation and a mirror image of the imperialism it defied. Kramer's essays together form the only chronological telling and the fully documented postmortem of Arabism. The second part of the book examines the similar failings of Islamism, whose ideas are Islamic reworkings of Western ideological radicalism. Its effect has been to give new life to old rationales for oppression, authoritarianism, and sectarian division. *Arab Awakening and Islamic Revival* provides an alternative view of a

century of Middle Eastern history As the region moves fitfully past ideology Kramer's perspective is more compelling than at any time in the past in Western academe no less than among many in the Middle East This book will be of interest to sociologists political scientists economists and Middle East specialists Islam and the Arab Awakening Tariq Ramadan, 2012-10-12

Tariq Ramadan presents analysis of the Arab Spring focusing on the role played by Islam in the uprisings and considering what its position will be in the new societies taking shape **Arab Awakening and Islamic Revival** Martin Seth Kramer, 2011-12-31

Over the past decade the political ground beneath the Middle East has shifted Arab nationalism the political orthodoxy for most of this century has lost its grip on the imagination and allegiance of a new generation At the same time Islam as an ideology has spread across the region and Islamists bid to capture the center of politics Most Western scholars and experts once hailed the redemptive power of Arabism Arab Awakening and Islamic Revival is a critical assessment of the contradictions of Arab nationalism and Islamic fundamentalism and the misrepresentation of both in the West The first part of the book argues that Arab nationalism the so called Arab awakening bore within it the seeds of its own failure Arabism as an idea drew upon foreign sources and resources Even as it claimed to liberate the Arabs from imperialism it deepened intellectual dependence upon the West's own romanticism and radicalism Ultimately Arab nationalism became a force of oppression rather than liberation and a mirror image of the imperialism it defied Kramer's essays together form the only chronological telling and the fully documented postmortem of Arabism The second part of the book examines the similar failings of Islamism whose ideas are Islamic reworkings of Western ideological radicalism Its effect has been to give new life to old rationales for oppression authoritarianism and sectarian division Arab Awakening and Islamic Revival provides an alternative view of a century of Middle Eastern history As the region moves fitfully past ideology Kramer's perspective is more compelling than at any time in the past in Western academe no less than among many in the Middle East This book will be of interest to sociologists political scientists economists and Middle East specialists The Arab Awakening Tariq Ramadan, 2012-04-05

Tariq Ramadan is one of the most acclaimed figures in the analysis of Islam and its political dimensions today In The Arab Awakening he explores the opportunities and challenges across North Africa and the Middle East as they look to create new more open societies He asks can Muslim countries bring together Islam pluralism and democracy without betraying their identity Will the Arab world be able to reclaim its memory to reinvent education women's rights social justice economic growth and the fight against corruption Can this emancipation be envisioned with Islam experienced not as a straitjacket but as an ethical and cultural wealth Arguing that the debate cannot be reduced to a confrontation between two approaches the modern and secular versus the traditional and Islamic Ramadan demonstrates that not only are both of these routes in crisis but that the Arab world has an historic opportunity to stop blaming the West to jettison its victim status and to create a truly new dynamic Tariq Ramadan offers up a challenge to the Middle East what enduring legacy will you produce from the historic moment of the Arab Spring *Interpreting the Arab Spring: Significance of the New Arab Awakening ?* Ms

Priya Singh, Mr Kingshuk Chatterjee, 2013-02-15 The Arab Spring widely perceived as a momentous event in West Asia has evoked a persistent flow of interpretation and analysis by academic experts and policy makers since the upheaval first broke out in December 2010 and the pace of events suggests the flow of analysis on this issue will continue Like all great social upheavals the Arab Spring was long drawn out in its realisation and born of many factors that are intertwined It could have occurred any time during the course of the last two or three decades but each passing year brought to the forefront new developments that made it that much more imminent Economic problems social problems political problems juridical problems and diplomatic problems combined to contribute to an uncompromising sense of grievance across the Arab world that ultimately manifested itself in the Arab spring and winter of 2011 This volume comes out of a conference organised by the Maulana Abul Kalam Azad Institute of Asian Studies in collaboration with Institute of Foreign Policy Studies and Centre of Pakistan and West Asian Studies in which an attempt was made to discuss these issues threadbare **The Second Arab**

Awakening Marwan Muasher, 2014-01-28 This important book is not about immediate events or policies or responses to the Arab Spring Instead it takes a long judicious view of political change in the Arab world beginning with the first Awakening in the nineteenth century and extending into future decades when if the dream is realized a new Arab world defined by pluralism and tolerance will emerge div DIVdiv Marwan Muasher former foreign minister of Jordan asserts that all sides the United States Europe Israel and Arab governments alike were deeply misguided in their thinking about Arab politics and society when the turmoil of the Arab Spring erupted He explains the causes of the unrest tracing them back to the first Arab Awakening and warns of the forces today that threaten the success of the Second Arab Awakening ignited in December 2010 Hope rests with the new generation and its commitment to tolerance diversity the peaceful rotation of power and inclusive economic growth Muasher maintains He calls on the West to rethink political Islam and the Arab Israeli conflict and he discusses steps all parties can take to encourage positive state building in the freshly unsettled Arab world DIV **The**

Second Arab Awakening Adeed Dawisha, 2013-04-01 An eye opening survey of the recent Arab revolutions and their political consequences comparing them to those of a previous generation When Mohamed Bouazizi set himself on fire in Sidi Bouzid Tunisia in December 2010 sparking a wave of popular uprisings that would topple dictatorial regimes across North Africa and the Middle East observers hailed the onset of a great Arab Awakening But this wasn't the first time people in Tunisia Egypt and elsewhere across the region had taken to the streets demanding fundamental change An earlier generation in the 1950s and 1960s rose against Arab governments that were doing the bidding of colonial powers A generation later many of these revolutionary heroes and their inheritors had themselves become murderous tyrants leading the people to rebel a second time In The Second Arab Awakening distinguished academic and writer Adeed Dawisha brings a deep historical perspective to the recent Arab uprisings tracing the fledgling and uncertain progress so far of these revolutions and the Islamist challenge that has emerged in their wake Elegantly written detailed yet concise Dawisha's illuminating

exploration of the threats and opportunities facing the victorious revolutionaries provides necessary perspective on a fast changing political landscape **Arab Awakening the** Ramadan Tariq,2012-07-01 *The Arab Awakening* George Antonius,1938 Den arabiske nationalistiske bevægelse i rene 1847 1939 **The Arab Awakening** Kenneth Michael Pollack,2011 Analyzes key aspects of the 2011 Mideast turmoil such as Arab public opinion socioeconomic and demographic conditions the role of social media influence of Islamists the impact of political changes on the Arab Israeli peace process and ramifications for the United States and the rest of the world Also provides country by country analysis of Middle East political evolution Provided by publisher "The Arab Awakening" Sylvia Kedourie,1953 *The Arab Awakening : The Story of the Arab Nationalist Movement* Georges Antonius,1946 **"The Arab Awakening", a Source for the Historian?** Sylvia G. Haim,1953* *The Arab Spring and Arab Thaw* John Davis,2016-04-01 What were the unifying principles or strategies that governed the protest movements that swept the Middle East and North Africa in the spring of 2011 Who were the protestors and how did the different authoritarian regimes respond to them How did regional and international institutions react to a region in turmoil The Arab Spring and Arab Thaw Unfinished Revolutions and the Quest for Democracy addresses these questions by examining a range of successful and unsuccessful protest strategies and counter revolutionary tactics employed by protestors and autocratic regimes Contributors explore the reactions of the USA EU and Arab League to events in the region and provide insight as to the gendered dimensions of the struggle along with the ethnic and tribal divisions that continue to impact the post revolt period By addressing these critical queries the book demonstrate how the Arab Spring has evolved into a protracted Arab Thaw that continues to profoundly affect regional and international politics
