## **The Arab Radicals:**

**The Arab Radicals** A. I. Dawisha, 1986      **The Middle East Military Balance 1992-1993** Shlomo Gazit, 2019-09-10  
This annual reference provides a statistical study of military trends in the Middle East and a collection of essays analyzing the details and strategic significance of events in the region The ninth annual review of the military forces and capacity of each state in the Middle East      **The Soviet Union and the Arabian Peninsula (RLE Iran D)** Aryeh Yodfat, 2012-04-27 In the first years of the Soviet regime there was little if any Soviet interest in Arabia and the Persian Gulf Over the last fifty years relations between Russia and this part of the world have become more complex this book traces their intricate history in a full analysis of Soviet policy towards the Arabian Peninsula It opens with a review of events from the beginning of the Soviet regime until 1975 The author goes on to consider the period between 1975 and 1978 concentrating especially on Soviet relations with Saudi Arabia Kuwait and South Yemen The impact of the rise of the Ayatollah Khomeini's Islamic Republic in 1979 is examined in detail with the emphasis on the situation in Iran Iraq Saudi Arabia and both North and South Yemen Finally the author examines the effect on Soviet policy of the Iran Iraq war and the subsequent insecurity in the Gulf region This study is based on mainly primary sources of Soviet Arab Iranian and Western origins      **The Gulf and International Security** Mohammed E. Ahrari, 1989-06-18 A perspective on the countries involved in the Gulf conflict dealing with the oil price dynamics the Reagan administration's dealings with Saudi Arabia Gorbachev's new politics and its implications conflicts among the Arab sheikhdoms and the impact of the Iran Iraq War      Energy and Foreign Policy. Hearings...., 93-1 .... May 30, and 31, 1973 United States. Congress. Senate. Foreign Relations, 1974      *A Grammar of the Arabic Language* Carl Paul Caspari, 1896      **Rudiments of the Arabic-vulgar of Morocco, with exercises** José Lerchundi, 1900      **A Grammar of the Arabic Language** Edward Henry Palmer, 1894      **Revolutions and Military Rule in the Middle East: The Arab states pt. I: Iraq, Syria, Lebanon and Jordan** Jūrj Mar'ī Ḥaddād, 1965      **An Arabic Manual** John Gulian Lansing, 1886      **Islands and International Politics in the Persian Gulf** Kourosh Ahmadi, 2008-05-03 The position of the Persian Gulf as the main highway between East and West has long given this region special significance both within the Middle East and in global affairs more generally This book examines the history of international relations in the Gulf since the 1820s as great powers such as Britain and the US and regional powers such as Iran and Iraq vied for supremacy over this geopolitically vital region It focuses on the struggle for control over the islands of the Gulf in particular the three islands of Abu Musa Greater Tunb and Lesser Tunb an issue that remains highly contentious today It describes how for 170 years Britain eroded Iranian influence in the Gulf both directly by asserting colonial rule over Iranian islands and port districts and also through claiming Iranian islands for their prot g s on the Arab littoral It shows how after Britain's withdrawal these islands became a pawn in the animosity and conflict that pitted at one time Arab radicals and nationalists against monarchical Iran and later the conservative moderate Arab camp against Islamic Iran It goes on to

explore the impact of the rise of American power in the Gulf since the start of the 1990s its policy of containment of Iran and Iraq and how this has provided encouragement to the ambitions of the Persian Gulf Arab littoral states especially the UAE towards the islands of the Gulf     Radical Jewish Politics Nathaniel Deutsch, Alma Rachel Heckman, Tony Michels, 2025-12-09

For the first time this volume centers the rich but little known history of radical Jewish politics in the Middle East and North Africa and puts it into conversation with developments in the Americas South Africa Soviet Asia and Europe Jews were attracted to radical politics in the nineteenth and twentieth centuries to transform the societies they lived in but also out of a deep desire to belong Somewhat paradoxically then radical politics held out the enticing possibility of normalization for Jews even as it frequently resulted in their further alienation or persecution In some cases Jewish radicals sought recognition and autonomy as Jews in others Jews labored to be accepted as full fledged citizens of their home countries in still others they tried to escape Jewishness altogether Jewish experiences of modernity colonialism race nationalism emancipation war and migration serve as the connective tissue that binds together radical Jewish politics from Baghdad to Buenos Aires

**Record of the Arab World** ,1973     A Grammar of the Arabic Language William Wright,1896     *Congressional Record* United States. Congress,1976     Simplified Grammar of Hindūstānī, Persian and Arabic Edward Henry Palmer,1885

Lectures on the Comparative Grammar of the Semitic Languages William Wright,1890     *The Johnson Years: LBJ at home and abroad* Robert A. Divine,1987     **Arabic grammar [tr. by T. Stenhouse and R. Brünnow].** Albert Socin,1885
