Essex Conversations:

Essex Conversations , In the Middle of a Journey Richard S. Gilbert, 2013-04-17 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology *In the Middle of a Journey* From William Ellery Channings eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future First series of Imaginary conversations: Classical dialogues (Greek) and (Roman) Citation and examination of William Shakespeare touching deer-stealing Walter Savage Landor, 1876

The Life of Samuel Johnson, LL.D., with His Correspondence and Conversations James Boswell, 1872 Imaginary Conversations Landor, 1891 *To Touch Inward Springs* Betty Jo Middleton, 2015-09-04 When it comes to teaching no method or approach is as important as the character the commitment and the personhood of the teacher But you can further your development as a teacher by learning about approaches methods and activities appropriate to lifespan faith development in the liberal church which is what you'll get in this guidebook to religious instruction Betty Jo Middleton takes a Unitarian Universalist perspective but draws upon many sources in focusing on teaching approaches methods and learning activities appropriate and effective for people of all ages Explore seven categories of teaching methods for use in programs for faith development and learn how to incorporate the following into your teaching storytelling creative expression learning through play discourse learning stations real world experiences and reflection and meditation Whether you're a religious educator member of the clergy volunteer or a parent of a child in a religious growth and learning program you'll be empowered by the strategies and insights in *To Touch Inward Springs* *Imaginary conversations, with notes by C.G. Crump* Walter Savage Landor, 1891 Landor's Imaginary Conversations Walter Savage Landor, 1914 Growing up Absorbed Richard S. Gilbert, 2014-05-12 How long does it take to grow a soul to love and to be loved and to help repair the world One lifetime so it is best to be totally engaged in the process *Growing Up Absorbed* follows the journey from cradle to grave through an education focus There are no shortcuts in this spiritual pilgrimage It can be hard but we are companioned along the way What happens is what Gilbert calls spiritual osmosis absorbing what the world has to teach us and passing on what we have learned an absorbing business Within these covers lies a history of religious education in the Unitarian Universalist tradition with reflections on faith development in the 21st century Beginning with Walt Whitman's poem *A Child*

Went Forth as a metaphor the author concludes with life questions that empty the room He finds the journey has its valleys plateaus and mountain peaks and is no casual matter Gilbert shares his excitement on making the journey **Essex**
