Speeches of the Honorable Jefferson Davis 1858 Jefferson Davis,2003-06-16 **Speeches of the Honorable Jefferson Davis 1858** Jefferson Davis,2008-01 **Speeches of the Honorable Jefferson Davis** Jefferson Finis Davis,2025-03-27 Speeches of the Honorable Jefferson Davis compiles his most significant addresses offering a firsthand perspective on the political and ideological foundations of the Confederacy **A Nation So Conceived** Michael P. Zuckert,2022-12-06 The culmination of years of work on Abraham Lincoln s political thought Michael P Zuckert s A Nation So Conceived argues for a coherent center to Lincoln s political ideology a core idea that unifies his thought and thus illuminates his deeds as a political actor That core idea is captured in the term democratic sovereignty Zuckert provides invaluable guidance to understanding both Lincoln and the politics of the United States between 185 and Lincoln s death in 1865 by focusing on roughly a dozen speeches that Lincoln made during his career This reader friendly chronological organization is motivated by Zuckert s emphasis on Lincoln as a practical politician who was always fully aware of the political context of the moment within which he was speaking According to Lincoln s speech at Gettysburg America was new precisely because it was born in dedication to the first premise of the theory of democratic sovereignty that all men are created equal Lincoln s thought consisted in an ever deepening meditation on the grounds and implications of that proposition both in its constructive and in its destructive potential The goodness of the American regime is derived from that ground and the chief dangers to the regime emanate from the same soil Covering all significant speeches and writings of Lincoln both in his pre presidential and presidential days A Nation So Conceived is devoted to exploring the paradoxical duality of created equal In a nearly comprehensive study of Lincoln s thought Zuckert uses lessons he learned from decades of teaching to reveal how Lincoln understood both its truth and its pathological consequences while offering an assessment of his aims and achievements as a statesman
