A Pebble In The River Bouzeboudja, Noufel,2015-09-04 Akli is an old man now He is in prison It is from there that he begins telling his story of the colonisation of Northern Africa Of his village especially Thadarth It is a narrative of revolution war torture dispossession corruption intolerance betrayal terrorism religious extremism but above all resistance A narrative of inevitability and loss The loss of faith in a higher power The loss of those closest to him which he would endlessly try in vain to prevent since his adolescence He would forever carry the burden of their death and absence the regret of not having been able to protect them to be with them This forged him into a cynic a man without hope for a better future a man who wishes for death every day that passes But his is also a story of love Unconditional Pure love The ineffable kind which he has for his country his land the mountains his family his friends his people A story of his life s first love Martine daughter to the French settler Fino who left him with a lot of frustrations but also good remembrances If his story begins in gloom it is one through which secretly intimately and ultimately runs the thread of hope Hope because he is released from prison at the time of the narration Hope that his daughter Zira the fruit of the rape of his wife by terrorists brings back into his life It is a story about the persistence of beauty of good and goodness even in the face of chaos It is a story about truth His truth Eternal even when obscured No man can be broken badly enough to not feel love to not see and enjoy beauty No man can tear the world apart so much that love and beauty no longer exist Once this truth is accepted however chaotic or scary the outside world can be peace can be found Peace within one s own being Peace which Akli finds too

has grown heavy with glory and honor By his leadership the nations of Thyro weathered Emperor Thaniel s dread conquest
By his holy vows humanity finally deadened the sorcerous shriek of the Old Religion He walked through the World Below to
arm the righteous with knowledge against it Those who count themselves allies of goodness and grace owe Constable
Thomas Belson the debt of their remembrance But perhaps there are things worth forgetting too How Thomas rages against
the gods to whom he swore his Constable s oath How he laments nothing more than outliving his triumph How he s killed
enough men to make a hard winter blush and not all of them guilty Come to think of it not all of them men either Perhaps
what Belson the Blessed learned in the World Below should stay between him and Hell It was that secret that made him nail
children to pillars as all the allies of goodness and grace averted their righteous gaze Thomas Belson won his war but he
hasn t stopped fighting in the decade since Guilt and paranoia make him see Thaniel in every tin pot tyrant apocalypse in
every shadow His increasingly erratic behavior is a growing concern for the governments of Thyro They ve heard the rumors
They know he cries out in his sleep The Matriarch of the New Church calls it a kindness when she absolves him of his oaths
After fifteen years of fighting he can finally return to his family in The Confederacy to find peace However the powers that be
have grown complacent in peace Perhaps they watch apocalypse loom and dismiss it as shadows Thomas Belson saw
something in the World Below that drove him to atrocity and Hell is nothing if not patient *Jonathan Swift* John Churton
