*The Apocalypse Unsealed* James M. Pryse, 2022-06-14 The biblical Book of Revelation is not a cryptic history or prophecy as is generally believed but is in fact a manual of spiritual development. So explains theosophist James M. Pryse in this 1919 work which seeks to uncover the hidden significance of the most misunderstood section of the Bible and reinterpret it from a modern theosophical perspective uncovering its esoteric relationship to other ancient texts including the Upanishads. Pryse offers a new translation of the Apocalypse based upon undisputed meanings of the original Greek text and comments on it on a verse by verse basis to bring to light startling new meaning in a work that many readers will have believed fully explored. Students of comparative mythology, ancient religion and the Bible will find this an intriguing read. American journalist JAMES MORGAN PRYSE JR 1859-1942 helped found the Gnostic Society in Los Angeles in 1925. He is also the author of *Sermon on the Mount and Other Extracts from the New Testament* 1899 and *Reincarnation in the New Testament* 1900 among other works. Print ed. **Apocalypse Unsealed**, 1996-09 1910 Being an esoteric interpretation of the initiation of Ioannes the purpose of this book is to show that the Apocalypse is a manual of spiritual development and not as conventionally interpreted a cryptic history or prophecy. **The Apocalypse Unsealed** James M. Pryse, 2016-03-14 A Startling and Sensational Disclosure of the Secret Meanings of St John's Book of Revelation. THE Apocalypse is really a book within a book a meaning concealed by symbolic language and a series of ingenious puzzles. The solution of all these puzzles is given by Mr. Pryse and the meaning of the book as a whole and in every detail is explained in clear, terse language. Thus deciphered, the Apocalypse stands out as a concise, systematic treatise on THE MYSTERIES OF INITIATION. It discloses the esoteric basis of genuine Christianity. In THE APOCALYPSE UNSEALED there is no vague mysticism, theorizing, speculation or dogmatic assertion. Its statements are backed up by convincing evidence and rest upon sound and careful scholarship. St John's marvelous cryptogram sweeps away the whole structure of dogmatic theology and demonstrates what were the real teachings of the great Founder of Christianity. It is the lost chord of Christianity. (James Morgan), b. 1859, 1992 **The Apocalypse Unsealed** James M. Pryse, 2019-11-16 James M. Pryse investigates early Christianity explaining and demystifying the Apocalypse also called the Book of Revelation. His examination reveals what is foreseen in the ancient Biblical text. The events of the Book of Revelation are considered by Biblical scholars and

believers to hold great significance both in the historic sense and as prophecy of the church and its future In Pryse's interpretation the Revelation is not an unsolvable enigma or a mystery shrouded in secrets but a living and cogent set of predictions The original Greek of the book which Pryse translated to aid his investigation is proposed to be the key to understanding its meanings In making his case for the Apocalypse being a reflection of Greek wisdom Pryse draws upon the philosophy of Plato and the terms of ancient Greek that describe parts of the body Though learning these principles an understanding of what the Apocalypse means is possible In addition we receive instruction on Greek number theory which Pryse uses to further unravel the New Testament text Several charts and illustrations accompany his explanations that the reader may arrive at the fullest understanding A novel and original approach to one of the Bible's most famous texts The Apocalypse Unsealed is a valuable piece of occult lore [The Apocalypse Unsealed; Being an Esoteric Interpretation of the Initiation of Iōannēs Commonly Called the Revelation Of \[St.\]](#) Anonymous,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1910 edition Excerpt for its own divine purposes the body is the adytum of the God but the elements composing it have become foul during the long ages of material evolution so that the soul is ever being tainted and instigated to evil by the impure emanations and vicious impulses which have become inherent in the physical organism It is thus a Mystery at once divine and infernal at which the seer represents himself as gazing in wonder Crater As a Goddess the infernal Aphrodite the depraved Virgo symbolizes the anima bruta or lower world soul which is saturated with sexuality In this rôle she holds a cup which is the adjacent constellation Crater the Mixing bowl fabled to have belonged to Iacchos the God of orgiastic revelry CH Xvii 6 8 I saw the Woman intoxicated with the blood of the devotees and with the blood of the witnesses of ISSous When I saw her I gazed in wonderment with great curiosity Said the Divinity to me Why did you wonder I shall tell you the mystery of the Woman and of the Beast that was carrying her which has the seven heads and the ten horns The Beast which you saw was and is not and is about to come up out of the abyss and go to destruction Those who dwell on the earth the men whose name has not been registered on the scroll of life since the evolution of the world will wonder when they look at the Beast because he was and is not and shall be present COMMENTARY The red Dragon the epithumetic passionnal nature is the principle which in close alliance with the Beast or phrenic mind impels the soul to continue to incarnate and he thus sustains the Woman who typifies physical existence He rises from the abyss the impure elements and is again disintegrated in them when the soul is purified The [The Apocalypse Unsealed](#) James M Pryse,2019-09-15 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature [\*\*The Apocalypse Unsealed\*\*](#) James M.
