**Zoe Lowery, Sean Bergin**

## **The Angkor Massacre:**

**The Angkor Massacre** Loup Durand, 1983 A Frenchman whose family has lived in Cambodia for eight generations stands in 1969 at the center of a complex international cast of characters all of whom are drawn into the maelstrom of a country on the brink of revolution *The Khmer Rouge and the Cambodian Genocide* Sean Bergin, 2008-08-15 This book is a comprehensive look at the brutal and extensive genocide that occurred in Cambodia in the mid to late 1970s at the hands of Pol Pot and the Khmer Rouge It provides background history as well as a description of the genocide itself and its aftermath

**Massacres and Morality** Alex J. Bellamy, 2012-09-27 Most cultural and legal codes agree that the intentional killing of civilians whether in peacetime or war is prohibited Yet despite this fact the deliberate killing of large numbers of civilians remains a persistent feature of global political life **Modern Genocide** Paul R. Bartrop, 2018-10-18 An indispensable resource for those interested in the scourge of mass murder and genocide in the 20th and 21st centuries this book analyzes modern and contemporary controversies and issues to help readers to understand genocide in all its complexity This vital reference work looks at current areas of debate in genocide studies to provide insights into what a genocide is why genocides occur and what the consequences are once a genocide is recognized as such It also illuminates how and why rational people can view the same set of circumstances as genocide or not and how it might be possible in the future to alleviate or even prevent genocide Dozens of accomplished scholars provide perceptive insights into the controversies and issues that dominate genocide discussions The book is organized into five parts The first considers how genocide is defined while the second covers the pre 1945 period as it includes such controversial topics as the American Indian Wars Australian Aborigines Irish Potato Famine Armenian Genocide Ukrainian Starvation and Holocaust A Cold War section examines genocidal violence in Cambodia East Timor and Guatemala and against the Kurds a post Cold War period section covers Bosnia Rwanda Darfur and the Rohingya in Myanmar The final part concerns such issues as genocide prevention humanitarian intervention and the role of military personnel as perpetrators of genocide

**The Khmer Rouge's Genocidal Reign in Cambodia** Zoe Lowery, Sean Bergin, 2016-07-15 The appalling Cambodian genocide remains barely studied even to this day Yet nearly two million Cambodians around 20 percent of Cambodia's population died between 1975 and 1979 as a result of the dictator Pol Pot and the Khmer Rouge Communist government Innocent Cambodians were murdered starved and tortured This fascinating book offers an overview of this tiny Asian country's history framing the events that led up to this tragic genocide Readers will learn about the key players in the genocide as well as the complications in obtaining justice in its aftermath

*Gender and Genocide in Cambodia* Azra Rashid, 2023-10-31 This book explores the multiplicity of women's experiences in the Cambodian genocide during the four year rule of the Khmer Rouge The dominant discourses of genocide often speak from a patriarchal and national perspective rendering women speechless and yet in this volume the female survivors of the Cambodian genocide testify not only to the specific atrocities committed during the war but also to the pre war conditions

that laid the groundwork for a gender specific victimization of women and its continuation post war With the help of testimonies from Khmer women who joined the Khmer Rouge women who experienced sexual violence during the Khmer Rouge era women who fled the country and the Cham women who faced expulsion from home this book explores the diversity of women s experiences under the Khmer Rouge Survivors accounts show that a Khmer woman s experience with the Khmer Rouge was considerably different from the experience of not only a Khmer man but also a woman from a religious or ethnic minority group or a woman who chose to join the Khmer Rouge These differences are conveniently ignored in nationalist discourses in Cambodia and by western scholars of history and gender based violence and they are given even less consideration in discourses about women survivors in diaspora Instead of forcing generalization and universalization of gendered crimes of war Gender and Genocide in Cambodia employs feminist curiosity and closely examines women s experiences under the Khmer Rouge from multiple vantage points This volume is essential reading for students and scholars interested in gender and cultural studies political history and modern history

### **Genocide in the Twentieth Century**

Samuel Totten,William S. Parsons,Israel W. Charny,1995

### **Thailand's Response to the Cambodian Genocide**

Phūangthōng Rungsawatdisap,1999

*Encyclopedia of Genocide and Crimes Against Humanity: I-S* Dinah Shelton,2005

Presents an alphabetically arranged encyclopedia with over three hundred fifty entries depicting genocide and war crimes from ancient history through the twenty first century and includes information on the various individuals and groups that have been targeted courts and tribunals and various sorts of reparations

### **Documenting the Cambodian Genocide on Multimedia**

Helen Jarvis,1998

Murder of a Gentle Land John Barron,Anthony Paul,1977

Genocide by Proxy Michael Haas,1991-12-30

A detailed scholarly reassessment of developments in Cambodia since December 25 1978 when Vietnamese combat soldiers expelled the ruthless Pol Pot regime Genocide by Proxy is an account of a country at war and of a people consigned to the role of pawn in world politics Michael Haas contends that Cambodia became an arena for superpower conflict and thus could only find peace when the superpowers extricated themselves from the country In providing perhaps the best explanation of the causes of the Cambodian tragedy Haas exposes the narcissism that reigns when one state forces another to be its pawn Haas analysis entails a study in comparative foreign policies an exercise that has theoretical merit for political scientists in search of paradigms of political behavior Challenging the conventional view of Vietnam as the aggressor this volume vindicates Vietnam s role in the Cambodian conflict while at the same time revealing the treachery of U S foreign policy toward Cambodia Much of the information in the book is based on Haas own interviews with more than 100 key international figures and on primary documents In an introductory chapter devoted to the basic facts of how genocide by proxy began Haas sets forth the history of Pol Pot s rise and fall The first three parts of the book which deal with proxy war proxy peace and deproxification are related in the style of the film Rashomon and detail how each country perceived events and framed policies to use the conflict for its own ends The final chapter suggests an alternative to this world of superpower

chess games The two appendices contain records of voting in the United Nations on Cambodia Genocide by Proxy provides a truly fresh assessment of Cambodia that will prove invaluable in courses in Asian studies international relations and peace research

*History Condemns Genocide Conducted Under Pol Pot* V. V. Shubin, 1985

**Encyclopedia of Genocide and**

**Crimes Against Humanity** Dinah Shelton, 2005 Presents an alphabetically arranged encyclopedia with over three hundred fifty entries depicting genocide and war crimes from ancient history through the twenty first century and includes information on the various individuals and groups that have been targeted courts and tribunals and various sorts of reparations

*Alive in the Killing Fields* Martha E. Kendall, Martha Kendall, 2009-10-13 Alive in the Killing Fields is the real life memoir of Nawuth Keat a man who survived the horrors of war torn Cambodia He has now broken a longtime silence in the hope that telling the truth about what happened to his people and his country will spare future generations from similar tragedy In this captivating memoir a young Nawuth defies the odds and survives the invasion of his homeland by the Khmer Rouge Under the brutal reign of the dictator Pol Pot he loses his parents young sister and other members of his family After his hometown of Salatrave was overrun Nawuth and his remaining relatives are eventually captured and enslaved by Khmer Rouge fighters They endure physical abuse hunger and inhumane living conditions But through it all their sense of family holds them together giving them the strength to persevere through a time when any assertion of identity is punishable by death Nawuth s story of survival and escape from the Killing Fields of Cambodia is also a message of hope an inspiration to children whose worlds have been darkened by hardship and separation from loved ones This story provides a timeless lesson in the value of human dignity and freedom for readers of all ages

*Case Studies, Persecution/genocide* , 1986 These serve as only a sample of the persecutions and genocidal acts that students might learn about

**After the Killing Fields** Craig Etcheson, 2005 Details the work of Yale University s Cambodian Genocide Program which informed the forthcoming Khmer Rouge Tribunal

*Daily Report* , 1993

**Problems of Genocide** , 1997

**State Structure and Genocide** Andrew Kolin, 2008 State Structure and Genocide presents a theory of the universal nature of genocide The book explores why genocides occur in various societies and explains the existence and persistence of genocide in relation to how governments function
