Jimmy Swaggart

The Apostle Paul:

Apostle Paul Udo Schnelle, 2005-11 This comprehensive introduction to the life and thought of Paul combines historical and theological analysis *The Apostle* John Pollock, 1994-01-07 The Acclaimed Authentic Biography of the Early Church's Greatest Evangelist the Apostle Paul Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him As you turn the pages you'll sense Paul's motives his aims and priorities what mattered to him and what he was willing to die for *The Call* Adam Hamilton, 2021-12 SHORT From the road to Damascus to the sun-drenched lands of modern-day Greece and Turkey to a Roman prison go with Adam Hamilton as he follows the journeys of Paul in this six-week DVD study about Christianity's greatest teacher and missionary The Call is a complete churchwide program with study components for adult youth and children ministries and can be tailored for any size group LONG From the road to Damascus to the sun-drenched lands of modern-day Greece and Turkey to a Roman prison go with Adam Hamilton as he follows the journeys of Paul in this six-week DVD study about Christianity's greatest teacher and missionary You'll see exactly where some of the most dramatic events in the spread of Christianity took place and through Hamilton's insightful and colorful teaching style you'll quite probably likely gain a better understanding of Paul's missionary travels than if you had covered the many miles in person The Call is a complete churchwide program with study components for adult youth and children's ministries In addition to the DVD a Leader Guide featuring flexible format options is available to make the study meaningful for any size group *An Illustrated Guide to the Apostle Paul* Alan S. Bandy, 2021-08-17 The life and ministry of the apostle Paul was a sprawling adventure covering thousands of miles on Roman roads and treacherous seas as he boldly proclaimed the gospel of Jesus to anyone who would listen be they commoners or kings His impact on the church and indeed on Western civilization is immeasurable From his birth in Tarsus to his rabbinic training in Jerusalem to his final imprisonment in Rome An Illustrated Guide to the Apostle Paul brings his remarkable story to life Drawing from the book of Acts Paul's many letters and historical and archaeological sources this fully illustrated resource explores the social cultural political and religious background of the first-century Roman world in which Paul lived and ministered It sheds light on the places he visited and the people he met along the way Most importantly it helps us understand how and why Paul was used by God in such extraordinary ways Pastors students and anyone engaged in Bible study will find this an indispensable and inspiring resource *One Untimely Born* Robert L. Cate, 2006 This book traces the life and ministry of Paul Like a modern Sherlock Holmes the author examines the clues available from the most current evidence in the earliest biblical texts archaeological discoveries and histories of the period from the earliest Roman historians through the most recent modern interpreters to set forth what we know about the life and work of Paul *The Apostle Paul* Marion L. Soards, 1987 This dynamic new consideration of Paul addresses the three basic subjects that make up Pauline studies Paul's life letters and theology and argues that these elements must be treated

together since to do otherwise risks distorting one or more of the arguments

Paul, the Apostle of Christ Ferdinand Christian Baur, 2023-04-27 F C Baur's monumental study *Paul the Apostle of Jesus Christ* 1845 is one of the greatest works of all time on the Apostle to the Gentiles Laying the basis for modern Pauline scholarship its three sections in turn thoroughly deconstruct the account of Paul found in Acts examine the authentic deutero Pauline and Pastoral Epistles and draw the various strands of Paul's thought into a cohesive whole In the first two parts Baur's historical critical skills are at their finest while in the third the influence of Hegel and Schleiermacher can be seen as Baur presents a comprehensive synthesis of Pauline theology Since the original nineteenth century English translation of Baur's masterpiece is no longer adequate Hodgson and Brown's new edition will serve as the definitive resource for future scholarship They not only present a new translation of the German but also provide critical annotations and translations of all the scriptural passages originally quoted in Greek Baur on Paul becomes truly available in English for the first time

Paul E. P. Sanders, 2015-12-01 E P Sanders offers an expansive introduction to the apostle navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike Always careful to distinguish what we can know historically from what we may only conjecture and these from dogmatically driven misrepresentations Sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions ever ready to craft the sorts of arguments that now fill his letters

Paul, the Apostle of Jesus Christ Ferdinand Christian Baur, 2021-05-28 Baur's *Paul the Apostle of Jesus Christ* was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part *The Life and Activity of the Apostle Paul* consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part *The Epistles of the Apostle Paul* is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deutero Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur's historical critical skills are at their finest The third part *The Apostle's Theological Framework* draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time

The Apostle Paul Porter, 2016 There are many introductions to the life thought and letters of Paul the apostle Some concentrate upon his life while others focus upon his thought and still others on his letters A few of them like this book try to integrate all three of them including on occasion material from the book of Acts into a useful portrait of the man and what he said and thought as revealed through his letters from preface

The Apostle Paul and His Letters Edwin D. Freed, 2005 Looks at

Paul and the book of Acts the circumstances that led Paul to write each letter and his response to those circumstances

St. Paul the Apostle Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In *St Paul the Apostle* author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ *St Paul the Apostle* also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today *The Apostle* John Pollock,2012-01-01 Enter the world of ancient Rome through the eyes of one of history s most transformative figures *The Apostle* by John Pollock seamlessly weaves together drama scholarship and historical accuracy in this book about the apostle Paul s extraordinary life Starting with the dramatic death of Stephen you ll witness Paul s incredible transformation from persecutor to preacher Follow him on his daring missionary journeys that took him to the far corners of the Roman Empire where he spread the teachings of Christianity Through detailed maps and a study guide readers can choose to look deeper into the historical and New Testament aspects of Paul s life or simply enjoy it as a compelling true life story Originally published in 1969 and later revised this newer edition breathes fresh life into a timeless tale As you immerse yourself in this rich narrative you ll find yourself on a journey of discovery uncovering the complexities of Paul s character his unwavering faith and the profound impact he had on the world *Paul* A. N. Wilson,1997 In his most controversial work of non fiction to date A N Wilson presents the view that what we know as Christianity today came not from Jesus but from Paul of Tarsus *Paul the Apostle* Jimmy Swaggart,2011 Paul in my opinion was the greatest example for Christianity ever produced by Christ The great Word given to Paul which was the meaning of the New Covenant which was the meaning of the Cross presents itself as the greatest Word ever given to a human being I think it can be safely said and believed that it is Paul who gave the world the great Christian Faith to whom we must give the credit for the beginning of western civilization No human being has ever been brought from a hatred of Jesus Christ to an unfathomable love as was the Apostle Paul on the road to Damascus It was a confrontation that would change the world In this Volume I think you will learn not only about Paul but about yourself and above all the Lord Jesus Christ *The Life and Travels of the Apostle Paul* edit SMITH,1833 **Paul the Apostle** J. Albert

Harrill,2012-09-24 A controversial new biography of the apostle Paul that argues for his inclusion in the pantheon of key figures of classical antiquity *The Life and Travels of the Apostle Paul* ,1833 **The Apostle Paul's Letter to the Church at Rome** Livingston Blauvelt,2005-12 **The Apostle Paul, a Bondservant of Christ Jesus** John Schneidervin,2019-09-30 This is the first of a three volume biographical commentary that will capture and hold your interest as it relates the times and events of Paul s life You will observe Paul s bitter hatred strong willed pride and cruelty that was followed by a shock that shook him down to the foundation of his soul leaving him humbled bewildered disillusioned laden with guilt and remorse that marked the turning point of his life Ever after that Paul the church destroyer became Paul the church builder You will sense the drama and suspense that Paul experienced through his journeys dangers fears brushes with death flights and his intense concerns for the churches he founded and the Christians within them that took him through the depths of depression to the heights of joy and songs of praise to God Rev JC the author has written a solid practical encouraging and edifying commentary about the life and letters of Paul Rev JC digs into the text He expounds with rich insight what the New Testament teaches He also gives extensive historical background about the cities Paul visited which opens up the events described in the Book of Acts His commentary reveals that Paul used every situation as a platform to exalt Christ whether a stoning in Lystra a beating in Philippi a riot at the temple in Jerusalem a shipwreck on Malta or years of imprisonment in Caesarea and Rome In this first volume you will Find the dating of Paul s life from his birth to his martyrdom set among Roman historical events and reigns of the Caesars Come to know what Paul s infancy early childhood upbringing and education would have been like Learn what Paul s conversion was like for him spiritually mentally emotionally and physically Follow Paul through the initial eight years of his apostolic work that are only alluded to in Acts 9 30 and Galatians 1 21 Travel with Paul through the cities and events of his first missionary journey on Cyprus and in Galatia before attending the Apostolic Council in Jerusalem
