The Application of Efficiency Principles George

Excerpt from The Application of Efficiency Principles The idea of this book occurred to me nearly five years ago as a result of a conversation with Mr Charles B Going of the Engineering Magazine now Industrial Management in which he expressed a wish that some one would tell how to apply efficiency principles as a sort of a supplement to Har rington Emerson s statement of these principles in his book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
