The Case Against Divorce:

The Case Against Divorce Diane Medved, 1989 Psychologist Diane Medved interviewed 200 separated and divorced persons and found that the cure of divorce is more often worse than the problems of marriage Offers a plan and attack for saving the good in marriage and stopping the rush to divorce *The Case Against Divorce* Mark Hamilton, 1995

Marriage, Separation, and Divorce in England, 1500-1700 K. J. Kesselring, Tim Stretton, 2022-02-17 England is well known as the only Protestant state not to introduce divorce in the sixteenth century Reformation Only at the end of the seventeenth century did divorce by private act of parliament become available for a select few men and only in 1857 did the Divorce Act and its creation of judicial divorces extend the possibility more broadly Aspects of the history of divorce are well known from studies which typically privilege the records of the church courts that claimed a monopoly on marriage But why did England alone of all Protestant jurisdictions not allow divorce with remarriage in the era of the Reformation and how did people in failed marriages cope with this absence One part of the answer to the first question Kesselring and Stretton argue and a factor that shaped people's responses to the second lay in another distinctive aspect of English law its common law formulation of coverture the umbrella term for married women's legal status and property rights The bonds of marriage stayed tightly tied in post Reformation England in part because marriage was as much about wealth as it was about salvation or sexuality and English society had deeply invested in a system that subordinated a wife's identity and property to those of the man she married To understand this dimension of divorce's history this study looks beyond the church courts to the records of other judicial bodies the secular courts of common law and equity to bring fresh perspective to a history that remains relevant today **Irish Divorce** Diane Urquhart, 2020-02-06 Spanning the island of Ireland over three centuries this first history of Irish divorce places the human experience of marriage breakdown centre stage to explore the impact of a highly restrictive and gendered law and its reform on Irish society **The Case Against Divorce** Mark Hamilton, David

ran out of gas This book demonstrates How to heal from past hurts find solutions that meet both persons needs and reignite love or build on the love you already enjoy **The Case Against Divorce** Diane Medved, Ph.D.,1990-05-28 Despite the pain the emotional turmoil the fights and the tears marital problems can be solved without ending in a trauma that will haunt you and your family for years Written by a renowned clinical psychologist this reassuring book reveals how your family your friends and even society at large can inadvertently encourage divorce and subtly deceive you into thinking that single is better Discover Step by step methods for recognizing your marital problems and working them out together The very valid reasons to stay together that are usually given bum raps including We Should Stay Together for the Sake of the Children and I m Staying in My Marriage Because I Can t Face Being Alone The most common reasons given for divorce and why they are more often than not excuses for not wanting to face the difficulties of marriage The destructive myths of divorce including The Fresh Start Meeting Lovers is Easy and the Greener Grass Syndrome The exceptional situations when divorce really is the only answer And much more Marriage Made in Eden Alice P. Mathews,M. Gay Hubbard,2010-08-01 Why Does Marriage Today Seem To Be Such a Far Cry From Paradise Let s face it Our culture s version of marriage is not as God designed it to be With a lot more emphasis on individualism and consumerism today s married couples tend to lose sight of God s original purpose for marriage a call for his people to take Jesus message to the heart of everyday life Marriage Made in Eden provides a radical alternative to today s view of marriage giving a glimpse into the historical and cultural aspects that have shaped marriage in America With this insightful analysis you ll learn how marriage has come to be in the state we now find it and about God s model and purpose for a sacred Christian union *The Field Day Anthology of Irish Writing* Seamus Deane,Andrew Carpenter,Angela Bourke,Jonathan Williams,1991 **Re-marriage after divorce, papers by sir W.
