## **The Politics Of Management:**

**The Politics of Management** Douglas Yates, 1985-11-14      The Politics of Management Andrew Kakabadse, 1983  
Management development guide on the human relations aspect of personnel management proposes four behavioural models of managers the Visionary the Company Baron the Team Coach and the Traditionalist illustrates the role of Motivation in organization behaviour drawing examples from the UK and the USA discusses the implications for individual career development and organization development especially with regard to occupational change Bibliography      **The Oxford Handbook of Political Leadership** R. A. W. Rhodes, Paul 't Hart, 2014 Political leadership has returned to the forefront of research in political science in recent years after several years of neglect This Handbook provides a broad ranging and cohesive examination of the study of political leadership      **Political Management** Jennifer Lees-Marshment, 2020-06-01  
Political Management lays out the core tools to manage government campaigns and parties The first book to combine management concepts with politics and government it provides core theories for what Political Planning Political HR Political Organising Political Leadership and Political Reviewing involve illustrated with high level political practitioner interviews examples and political documents The text presents the 4 Ds of Political Management Deliberating Designing Doing and Dancing to convey that Political Management is more of a dance than a march Even presidents and prime ministers do not have enough formal authority to control the myriad of practitioners players processes and policies involved in 21st century governance In this book the author demonstrates why political practitioners in campaign teams parties government departments and political offices need political management tools to utilise the resources they have available and overcome multiple obstacles that practical politics presents By offering a clear sense of what political management involves and providing the theoretical frameworks to be used in empirical research this book will stimulate significant future study It will be invaluable to practitioners scholars and students in politics government policy leadership management public administration and political management      **The Politics of Management** Douglas T. Yates, 1985-12-01      **Power, Politics, and Organizational Change** David Buchanan, Richard Badham, 2008-02-19 Many books on management are sanitized cleanly technical accounts of the unreality of managerial life and work Politics hardly feature This book tells it like it is it dishes the dirt gets low down into the funky and fascinating politics of organizational life Stewart Clegg Aston Business School and University of Technology Sydney Combining a practical and theoretical guide to the politics of organizational change this book provides an exceptional resource to students of change management and organizational behaviour Buchanan and Badham show how the change agent who is not politically skilled will fail and that it is necessary to be able and willing to intervene in the political processes of the organization This revised edition includes a range of excellent new material and features including a new chapter on gender in approaches to organization politics a full range of teaching materials including case studies incident reports self assessments and more Each chapter recommends a feature film or DVD

to illustrate aspects of organization politics fresh research evidence recent literature on the nature of entrepreneurial politics a model of political expertise and how that can be developed This lively and engaging book is key to MBA and other Masters degree candidates taking courses in change management and organizational behaviour It will also be valuable for practising managers on tailored executive programmes in organization politics The Ashgate Research Companion to Political Leadership Mikhail A. Molchanov,2016-03-23 Discussing the major theories of political leadership with a focus on contemporary challenges that political leaders face worldwide this research companion provides a comprehensive and up to date resource for an international readership The editors combine empirical and normative approaches to emphasize the centrality of political culture as well as the limits of culture and the universal demands of innovative adaptation The volume examines *Political Business Cycles* Thomas D. Willett,1988 A Pacific Research Institute for Public Policy book Includes bibliographies and index Leadership and Politics Bryan D. Jones,1989 In twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved The approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead The Politics of Information Management Paul A. Strassmann,1995 This book looks at the place of information management within an organisation and the responsibilities possibilities and political issues involved in successful information management *The Politics of Crisis Management* Arjen Boin,Paul 't Hart,Eric Stern,Bengt Sundelius,2017 A newly updated edition of a concise and evidence based approach to strategic crisis leadership The Politics of Management Knowledge in Times of Austerity Ewan Ferlie,Sue Dopson,Chris Bennett,Michael Fischer,Jean Ledger,Gerry McGivern,2018-11-01 While the implementation of evidence based medicine guidelines is well studied there has been little investigation into the extent to which a parallel evidence based management movement has been influential within health care organizations This book explores the various management knowledges and associated texts apparent in English health care organizations and considers how the local reception of these texts was influenced by the macro level political economy of public services reform evident during the period of the politics of austerity The research outlined in this volume shows that very few evidence based management texts are apparent within health care organizations despite the influence of certain knowledge producers such as national agencies think tanks management consultancies and business schools in the industry Bringing together the often disconnected academic literature on management knowledge and public policy the volume addresses the ways in which preferred management knowledges and texts in these publicly funded settings are sensitive to the macro level political economy of public services reform offering an empirically grounded critique of the evidence based management movement
