The Potters Kitchen:

In the Potter's Kitchen Sumi Von Dassow, 2014-09-15 In the Potters Kitchen comes out of Sumi von Dassow's love of both cooking and pottery and her desire to share both passions with as many people as possible. Besides her own explorations in the studio and kitchen, she's reached out to potters who share her passion of food and clay to make this book a truly one of a kind experience. You'll discover information on materials, glazes, and what to consider when making pots to cook in and serve on. You'll also find many step-by-step techniques for creating casseroles to tagines as well as scores of examples from dozens of artists, well-tested recipes, and more. If you are a potter who loves to cook or a cook who loves to pot, happy potting and bon appetit! Back cover

The Michiana Potters Meredith A. E. McGriff, 2020-08-03 A new pottery tradition has been developing along the border of northern Indiana and southern Michigan. Despite the fact that this region is not yet an established destination for pottery collectors, Michiana potters are committed to pursuing their craft thanks to the presence of a community of like-minded artists. *The Michiana Potters*, an ethnographic exploration of the lives and art of these potters, examines the communal traditions and aesthetics that have developed in this region. Author Meredith A. E. McGriff identifies several shared methods and styles, such as a preference for wood-fired wares, glossy glaze surfaces, cooler colors, the dripping or layering of glazes on ceramics that are not wood-fired, the handcrafting of useful wares as opposed to sculptural work, and a tendency to borrow forms and decorative effects from other regional artists. In addition to demonstrating a methodology that can be applied to studies of other emergent regional traditions, McGriff concludes that these styles and methods form a communal bond that inextricably links the processes of creating and sharing pottery in Michiana.

Too Pretty to Live Dennis Brooks, 2016-02-09 Murder begins with the click of a button in this true crime story of Facebook catfishing and deadly jealousy as seen on Investigation Discovery. Chris was a CIA agent worried for the safety of Jenelle Potter. Contacting her parents and boyfriend, Chris warned them that Billy Payne and Billie Jean Hayworth were bullying Jenelle online and posed an imminent physical threat. Something needed to be done, Chris said. And he'd have their backs if they took action to protect Jenelle. And so they did. Jenelle's father and boyfriend murdered Payne and Hayworth in their own home, mercifully leaving the couple's infant unharmed. But when they told their story to the police, they discovered a devastating truth: there was no Chris. It had been Jenelle the entire time, catfishing them to exact revenge over a Facebook feud. Using forensic linguistics and diving through the brambles that Jenelle laid to cover her tracks, police were able to put together a chilling portrait of a sociopath who set a double murder in motion from the shadows of the internet. Dennis Brooks, the lead prosecutor in this strange and tragic case, examines the crime and trial from all angles in *Too Pretty to Live*. What the police investigation turned up, though, made this crime all the more terrifying: Jenelle had been Chris the entire time, catfishing her family and her boyfriend to act in vengeance on her behalf. Using forensic linguistics and diving through the brambles that Jenelle laid to cover her tracks, police were able to put together a chilling portrait of a sociopath made all the more ruthless by the
