Devereux,Anne Peirson-Smith,2009-08-03 Public Relations in Asia Pacific reflects the growing professionalism in the practice of public relations in the world s fastest expanding economy It is a carefully drawn road map both strategically and tactically for all manner of entities for profit and not for profit on how to establish and maintain effective relationships with their numerous stakeholders Particularly insightful are the many examples of public relations in action within the Asia Pacific region It s a must read for those interested in public relations careers and those new to the profession and it s a first rate refresher for the established professional Harold Burson Founding Chairman Burson Marsteller Worldwide Mary Devereux and Anne Peirson Smith have combined their considerable talents and experience to produce a bible of how public relations is and should be practiced in the Asia Pacific One of its many virtues is that it debunks the myth that PR is just one long lunch hosted by caricature Svengalis and Spin Doctors Rather it sets the profession in a cultural context that will be valuable to those starting at PR 101 professionals and corporate executives who want to know how truth can be well told with all due credit to McCann Erickson Kerry McGlynn Special Adviser Corporate Communication Department Cathay Pacific Airways As greater social pluralism stakeholder influence and internet driven

consumer sophistication and empowerment grow relentlessly across nearly all Asian societies Public Relations in Asia Pacific is a timely guide to the critical role of good public relations Clear helpful and with a wealth of good examples of how best practice PR in action can make real and tangible contributions to governments businesses NGOs as well as to ordinary people this is essential reading for anyone concerned with how to communicate well in the world s fastest growing economic region Tim Sutton Chairman Asia Pacific Weber Shandwick In an increasingly globalized world public relations practices and strategies become critical for organizations to communicate effectively to their diverse audiences worldwide This book is therefore an extremely timely and relevant contribution to PR students and practitioners in the Asia Pacific region as it provides not only a comprehensive overview of the essential concepts and skills of public relations but also specific case studies which illustrate tactical uses of public relations across a wide range of issues and countries In my opinion this book fills a major gap in the understanding of public relations concepts and practices and will constitute a fundamental resource for all those who aspire to excel within the field Dr Indrajit Banerjee Secretary General Asian Media Information and Communication Centre AMIC

Public Relations Theory Carl H. Botan, 2017-10-03 Beginning with the basic premise that public relations can best be understood as a specialized type of communication the contributors to this volume establish public relations as a vital and viable realm for communication research and theory development Through the application of communication theories they attempt to explain and predict public relations practices and then use these practices to develop communication theories Their discussions fall into three distinct categories metatheory theory and examples of applications of theories An ideal volume for professionals and students in communication journalism and related fields

Public Relations Jacquie L'Etang, Magda Pieczka, 2006-02-24 This new text for students and practitioners in public relations has been built on the acclaimed Critical Perspectives in Public Relations also edited by Jacquie L Etang and Magda Pieczka which is no longer in print Many of the liveliest minds on the public relations scene have contributed fresh ideas and diverse perspectives their locatio

Ethics in Public Relations Patricia Houlihan Parsons, Patricia J. Parsons, 2004 Praise and Reviews This book on ethics is long overdue Thoughtful yet thoroughly practical it will help public relations professionals tussling with ethical dilemmas The ethical decision making models will be especially useful Mike Granatt FIPR Partner Luther Pendragon former Director General of the Government Information and Communications Service GICS Canada Ethical questions and dilemmas are inherent to public relations and ensuring that practitioners operate ethically is fundamental to the professionalism and credibility of the field Ethics in Public Relations gives readers the tools and knowledge to enable them to make defensible decisions and outlines the important ethical concerns in public relations and corporate communications Written in a practical and approachable style this is not another tome on ethical theory but rather a clear insight into the personal and professional issues that affect public relations practitioners It examines how an individual s sense of morality has an impact on decision making and ethical business behaviour Overall the purpose of Ethics in Public

Relations is threefold to provide a framework for understanding important ethical issues in public relations and corporate communications now and in the future to help develop an attitude that supports the concept that ethics are key to professionalism and credibility in the field to assist in everyday ethical decision making Written by a leading academic in the field this practical and engaging title is a must have for any public relations practitioner or student who wants a framework that relates underlying ethical theories to everyday issues

**Public Relations As Relationship Management** John A. Ledingham, Stephen D. Bruning, 2000 The emergence of relationship management as a paradigm for public relations scholarship and practice requires a close examination of just what is achieved by public relations its definition function and value and the benefits it generates Initiated by the editors interest in cross disciplinary exploration this volume evolved to its current form as a result of the need for a framework for understanding public relations and the potential impact of organization public relationships on the study practice and teaching of public relations Ledingham and Bruning include contributions that present state of the art research in relationship management applications of the relational perspective to various components of public relations and the implications of the approach to influence further research and practice The discussion conducted here is certain to influence and promote future theory and practice on the concept of relationship management
