

A full moon is positioned in the upper center of the frame, glowing with a warm, yellowish light. A thin, dark contrail from a satellite or rocket streaks horizontally across the moon, passing through its center. The sky is a deep, dark blue. In the lower portion of the image, a cityscape is visible, with numerous small, bright lights scattered across the landscape, which appears to be a valley or a series of hills. The overall scene is serene and evocative.
