The Casket Letters and Mary Queen of Scots Thomas F. Henderson, 1889 The Casket Letters and Mary Queen of Scots T. F. Henderson, 2023-04-20 The Casket letters were eight letters and some sonnets said to have been written by Mary Queen of Scots to the Earl of Bothwell between January and April 1567 They were produced as evidence against Queen Mary by the Scottish lords who opposed her rule In particular the text of the letters was taken to imply that Queen Mary colluded with Bothwell in the murder of her husband Lord Darnley Mary s contemporary supporters including Adam Blackwood dismissed them as complete forgeries or letters written by the Queen s servant Mary Beaton The authenticity of the letters now known only by copies continues to be debated Some historians argue that they were forgeries concocted in order to discredit Queen Mary and ensure that Queen Elizabeth I supported the kingship of the infant James VI of Scotland rather than his mother *The casket letters and Mary queen of Scots* Thomas Finlayson Henderson, 1976 **The Casket Letters and Mary Queen of Scots; With Appendices** T F 1844-1923 Henderson, 2018-10-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Casket Letters and Mary Queen of Scots** T F (Thomas Finlayson) Henderson, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Casket Letters and Mary, Queen of Scots.
