## **The Catholic Church In World Affairs:**

**Modern Papal Diplomacy and Social Teaching in World Affairs** Mariano P. Barbato, Robert J. Joustra, Dennis R. Hoover, 2020-06-29 This comprehensive collection offers a concise introduction to the institutional framework of the Holy See conceptualizing papal agency and positions from a range of international theory perspectives. The authors international scholars from political science history and religious studies explore multiple fields of papal and Vatican influence ranging from spy networks and inter religious dialogue to social doctrine and religious freedom. This book demonstrates that contrary to secularization theory the papacy is not in decline in world politics. Since World War II the Holy See has played a steadily increasing role in international relations. Globalization supports the role of the Catholic Church as a transnational actor not only in the advanced industrial societies of the West but also increasingly across the Global South. In this volume the authors document the legacies of John Paul II and Benedict XVI as well as the current pontificate of Pope Francis from a range of contemporary perspectives. This book comprises research articles and commentary essays on the papacy in world politics originally published in *The Review of Faith International Affairs*     *The Papacy and World Affairs* Carl Conrad

Eckhardt, 2016-03-22     **Encounters with World Affairs** Emilian Kavalski, 2016-03-09 This book is designed to familiarise students with leading International Relations IR theories and their explanation of political events phenomena and processes which cross the territorial boundaries of the state. Thus students will be exposed to the interplay between power interest ideas identity and resistance in explaining continuity and change in international relations. Developed to provide students with the analytical tools and intellectual frameworks needed to understand the behaviour of different international actors in contemporary global affairs. This textbook responds to the challenges of a dynamic job market by assisting students to gain both thorough theoretical knowledge and training them to apply this knowledge to real world problems. In short this textbook delivers A comprehensive and interdisciplinary approach to the examination of national regional and global trends in politics economics and socio cultural developments allowing students to understand the practice and theory of contemporary international relations the politics culture history and economies of different regions around the world the role played by international interactions culture and government in local national and global settings. Equipping students with the proficiency to understand and interpret the dynamics patterns and issues of global affairs to know how to get more information about particular questions to evaluate that information independently and effectively. To these ends the textbook provides a number of features that will appeal to students and avoids overwhelming students with chapters on topics which in practice are rarely on courses while nonetheless providing a comprehensive overview of the field. Introduces students to the main debates topics and terms in the field and allows them to decide which they would like to focus on in their further studies     **The Catholic Church in World Affairs** Waldemar 1902-1954 Gurian, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
