## **The Cattleman:**

**The Cattleman's Suite** Scot Lahaie, 2002-09 Located on the thirteenth floor of the Dallas Grand Hotel the cattleman's suite is the chosen site of Julie Drithers' not so happy engagement party. Her father, a once wealthy but now almost bankrupt Texas oilman, has rented the old suite again to celebrate his daughter's engagement in the same place and manner that he had celebrated his own engagement thirty years earlier. Only this time the engagement is the father's idea, not the bride's. Through the calculated wedding of his daughter to Matt Snooker, the son of his best friend and founder of the industry's leading pipe and rigging company, Mr. Drithers hopes to save his own ailing oil company and avoid disaster. However, he gets more disaster than he can handle when Bobby, Julie's true love, sets out to rescue his one and only. Drithers' problems seem small compared to Julie's wrath when she learns of the deception played upon her. Add an untimely pregnancy, two clumsy villains, a hotel staff from hell, and the recipe for comedy is complete.

**The Cattleman's Ready-Made Family** Michelle Douglas, 2013-07-01 A fresh start. Tess Laing has suffered more heartbreak than most. So moving to Bellaroo Creek with her little orphaned niece and nephew is the start of a new life. Meeting tall, dark, and deliciously handsome Cameron Manning starts an unexpected flutter in her heart. A new family. Cam is intrigued by Tess and quickly becomes entangled in their lives when little Ty gets a clear case of hero worship. They're the family he always dreamed of having himself until the day a betrayal wiped his hopes in an instant. Perhaps now is the time to confront the past and discover a ready-made family is the key to this tortured cattleman finding a happy future.

**The Cattleman's Unforgettable Love** SJ McCoy, 2025-04-25 Ford MacFarland never planned on anything beyond the ranch. While his brothers served overseas or chased glory elsewhere, Ford stayed behind, choosing duty over adventure. He's built a life rooted in responsibility, steadfast, solitary, and predictable. He's not a cowboy chasing dreams; He's a cattleman who thought he knew what he wanted until he meets a woman who shows him there's a difference between being needed and being chosen. Amelia's smart, guarded, and far too used to relying on herself. She's in Montana working with Ford's brother, Cash, using her formidable cybersecurity skills to track people and untangle secrets. She didn't come looking for love. She's not the type to fall for a cattleman with rough hands and a steady heart, but there's something about him that feels like safety and sparks all at once. What starts as a cautious connection soon grows deeper, but neither of them is ready for how fast life can change when the past comes calling. Especially when that past doesn't just stir memories; it rewrites the future. Neither of them expected to find a connection that runs this deep, or for the past to come knocking with a future they never saw coming. But in the shadow of the mountains, these two solitary souls may just discover that what they build together could be something unforgettable.
