**More Mittens; with The Doll's Wedding and Other Stories** Aunt Fanny, 2022-09-15 In *More Mittens with The Doll's Wedding and Other Stories* Aunt Fanny presents a delightful tapestry of narratives that resonate with charm and moral undertones commonly found in children's literature of the early 20th century. The book is marked by a playful yet didactic prose style skillfully weaving together various whimsical tales that engage the imagination while instilling fundamental values such as friendship and kindness. This compilation not only serves to entertain young readers but also invites them to revel in the enchantment of storytelling reminiscent of the works of contemporaries like Frances Hodgson Burnett and L. Frank Baum, who similarly nurtured a sense of wonder in their audience. Aunt Fanny, an esteemed author of children's literature, captures the spirit of her time through her nuanced understanding of child psychology and developmental needs. Her experiences as a caregiver and her keen observations of childhood behaviors deeply influenced her narratives, imbuing them with authenticity and relatability. By drawing from her own childhood memories and social context, she crafts a world where children can navigate their curiosity and emotional experiences safely. *More Mittens* is a treasure trove for both young readers and adults seeking to reconnect with the innocence of childhood. It is highly recommended for parents looking to instill positive values in their children and for educators seeking enchanting stories that promote discussion on essential life lessons.

*The Bear Tree and Other Stories from Cazenovia's History* Erica Barnes, Jason Emerson, 2021-11-15 The historic lakeside village of Cazenovia in the scenic Finger Lakes region is one of the jewels of Central New York, and yet very few books have told its story. Cazenovia is a town founded by wealthy men, and much of what has been written about it has focused on the elite and the grand lakeshore mansions in which they lived. In contrast, Barnes and Emerson's new book chronicles the story of everyday Cazenovia: the fascinating people, places, and history of this 225-year-old community. *The Bear Tree and Other Stories from Cazenovia's History* explores the unheralded, inaccurately told, and long forgotten tales of the town. Readers will encounter historical characters such as elephant and lion tamer Lucia Zora Card, *The Bravest Woman* in

the World educator Susan Blow The Mother of American Kindergarten and World War I soldier Cecil Donovan whose letters home vividly depicted the experience of war for those awaiting his return in Cazenovia **A moment of madness, and other stories [repr. from various magazines]**.
