The Christ Of Christmas:

The Christ of Christmas Marc Sikma, 2023-09-19 What is a better time to share the gospel than Christmas The Christ of Christmas tells the story of sixteen year old Lily and her family who prioritize different things at Christmastime For years Lily's mom has faithfully used a wooden manger and cross to share the gospel with her unbelieving family She wants them to know that because of God's first Christmas gift to His people every heart can be healed But when a big change happens just days before Christmas the family must decide if the tradition will continue Will it have the power to change their family forever With sixty four beautifully illustrated pages The Christ of Christmas is a charming read for the family to revisit together each year and will look gorgeous on coffee tables as a new Christmastime tradition It also offers both churches and individuals a gentle and uplifting way to share the gift of Christ's love with others Through its compelling story arc clear communication of the gospel and beautiful story of first time belief The Christ of Christmas shows readers that Christmas is a story of hope and healing

The Christ of Christmas James Montgomery Boice, 1983 *The Christian's Duty to Reject Christmas* Thomas Mockett, C. Matthew McMahon, 2015-11-09 Mockett's argument in this work is directed to well meaning Christians who are defiling the Regulative Principle that God alone determines the manner and time in which sinners are to approach him Writing against the observation of Christ's nativity Mockett shows the Christian how he is to reject wholeheartedly adding Christ into Christmas as a religious or worship observance Mr Mockett is not going to deal with taking Christ out of Christmas Instead he is going to painstakingly demonstrate the ill use of trying to reclaim Christ for Christmas as an unholy venture He will show that it is a detestable sinful practice to put Christ back into Christmas since men have no warrant from God to do so Though they do this in pretense of honoring Christ in a day of worship and do so with a sincere heart as Mockett shows Good intentions and well meanings cannot justify any unwarrantable practice Mockett's treatment of this issue is clear and well documented The student of Scripture and historical theology cannot but come away with believing that reclaiming Christ in Christmas is truly a violation of God's word and a sinful practice which has harmed the church throughout its history

God responding from the heart seeking His kingdom The Real Story of Christmas W. Cleon Skousen,1949 There never was a more exciting Christmas than the first one Oddly enough however the complete historical account of that first Christmas is seldom told There are forgotten chapters buried in scriptural records which the pageants at Christmas time fail to relate The purpose of this writing is to tell the whole story the way history has preserved it The Real Story of Christmas has been enjoyed in thousands of homes for over half a century and continues to enlighten and enrich with a greater understanding of the amazing events leading up to our Savior s birth Selection Adapted to the Seasons of the Christian Year, from the Quebec Chapel Sermons of Henry Alford ... Henry Alford,1888 **The Christian Life** ,1884 **The Story of Christmas** Reginald John Campbell,1934 The Evolution of Christmas Gustavo Vazquez-Lozano,2025-05-22 Christmas is the most important holiday of the year After the corresponding days that exalt the national pride of each country such as Independence Day in the United States Victory Day in Russia or Bastille Day in France it s December 25 that articulates the life the work and the economy in much of the world including many non Christian countries Since ancient times the beginning of winter has been the occasion for most people to eat drink dance and get together to beat the drum and take a break Especially since the 20th century on the days adjacent to the holiday have become an occasion to do big business The winter season is the most solid stimulus for the economy more than any fiscal package since the incomes of families spending credit and consumption in all productive sectors are significantly increased In the United States alone Christmas sales are estimated to generate 3 trillion This jubilee of consumption and purchase of goods and gifts is accompanied by a series of child pleasing customs a pine tree with lights and ornaments inside the homes Christmas carol preparation of sweet meals and treats the chubby figure of Santa Claus and to a lesser extent Nativity scenes depicting the birth of Jesus Each country also preserves exclusive traditions that are highly esteemed among their own population In Russia people cook 12 dishes in honor of the 12 apostles then return to the church for an all night vigil In Estonia children must sing before receiving their gifts In Mexico groups of people wander from door to door singing the story of Joseph and Mary when they were searching for a place to stay and inside the house that receives them they break pi atas full of candy In the United States the streets are decorated with colorful lights and choirs of children sing carols beside huge fir trees In India even with its Christian minority people call Christmas the big day and celebrate it by planting trees The holiday animates debate too For those interested in history it is the time of documentaries on television where so called experts repeat the worn out speech that the Church deliberately put the date of Christmas over a pagan celebration the Saturnalia or Sol Invictus the solar god of the Roman Empire Others will say that Santa Claus is a legacy of Norse mythology related to Odin s journey through the heavens and that the star of Bethlehem could have been a spectacular planetary conjunction that occurred in 7 BCE For the self denominated neo atheists it is the time to offer interviews on major networks and declare that everything is a hoax and that the story of Jesus s birth is a myth copied from the story of the god Mitra The celebration goes unnoticed for no one making

Christmas arguably the only holiday that for better or worse unites the whole planet How did things progress from that story in the Bible with a Jewish girl giving birth to the Messiah of Israel in a manger in the city of Bethlehem to the modern colossus that is the Christmas holiday How did Santa Claus the Christmas tree the snow sleighs the presents and family reunions become the distinctive features of the holiday if none of them were there at the beginning The answers can be attributed to a chain of events characters oral traditions artistic works and an assimilation of local especially Germanic folklore that came together to create Christmas as the world now knows it The Evolution of Christmas The History of the Christian Holiday from the Birth of Jesus to Today looks at how Christmas was originally commemorated the various traditions that became associated with the holiday and how the history of Christmas ended up the way it did Along with pictures depicting important people places and events you will learn about Christmas like never before **The Christian Union** ,1887 **The Cross and the Flag** Gerald Lyman Kenneth Smith,1955 The Encyclopaedic dictionary; a new, practical and exhaustive work of reference to all the words in the English language, with a full account of their origin, meaning, pronunciation, history and use Robert Hunter,1894 *The Guardian* ,1871
