The Christian At Play:

The Christian at Play Robert K. Johnston, 1997-09-09 Play as an event of the inventive human spirit invites our most able Christian reflection The person at play is expressing his or her God given nature Unable to understand our play as God given Christians are often inauthentic players Johnston tries to help us to see that Christians are created to work and to play

God at Play Daniel Soars, 2025-07-01 The first comparative treatment of the topic of l l in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play wit drama grace and compassion God at Play presents a theological exploration of the multifaceted motif of l l across diverse Hindu and Christian landscapes and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God God at Play is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an imitation and a participation in the divine life of a playful deity

Register of the Minister, Elders, and Deacons of the Christian Congregation of St. Andrews Saint Andrews (Scotland : Parish), 1890 *The Christian Imagination* Thomas C. Peters, 2000 Here is a new look at imagination and the arts from the

point of view of one of Western civilization's most insightful observers G K Chesterton Gilbert Chesterton had the rare gift of being able to understand situations from the inside that is to see through the hidden assumptions lapses in logic and other follies of even his own social and occupational situations He was a journalist and yet an unsparing critic of journalism He was a poet a story teller a novelist a playwright and an illustrator Among the most imaginative of men who ever lived Chesterton had much of value to say about the arts imagination and the Christian faith Thomas Peters takes the reader on a guided tour of Chesterton's observations and opinions regarding human imagination and its various manifestations in the arts Using ample quotations in order to let Chesterton speak for himself Peters explores the master's views on imagination culture and faith as well as his fascinating opinions on everything from styles of painting to meter in poetry from bohemian lifestyles to materialist philosophy from singing at the bank to waiting for the train **Scientific American** ,1897
