The Postmodern Church:

The Postmodern Church Jeremiah Newman, 1990 **What Would Jesus Deconstruct? (The Church and Postmodern Culture)** John D. Caputo, 2007-11-01 This provocative addition to The Church and Postmodern Culture series offers a lively rereading of Charles Sheldon's *In His Steps* as a constructive way forward John D Caputo introduces the notion of why the church needs deconstruction positively defines deconstruction's role in renewal deconstructs idols of the church and imagines the future of the church in addressing the practical implications of this for the church's life through liturgy worship preaching and teaching Students of philosophy theology religion and ministry as well as others interested in engaging postmodernism and the emerging church phenomenon will welcome this provocative non technical work **Brand New Church** Graeme Fancourt, 2013-05-16 Brand New Church aims to make sense of what postmodern actually looks and feels like in real life and to ask what this means for the church Over the past few years Graeme Fancourt has travelled around the UK and USA consulting with a wide range of church leaders including Sue Wallace who founded Visions and Transcendence Jonny Baker a member of Grace and Roy Searle of the Northumbria Community He writes The church that I have encountered is thoughtful active and confident in the gospel Though holding many different views these leaders all appear to take seriously the need for the church genuinely to engage positively or negatively with what it perceives to be the postmodern condition The author reveals and explores the diversity of thinking found in local churches in colleges and universities and expressed in works of contemporary theology the approaches of a range of writers such as D A Carson Peter Rollins Pete Ward Tom Wright and Stanley Hauerwas are examined to stimulating effect The result is a thoroughly vibrant read which offers a broad understanding of how in these postmodern times the church might engage fruitfully in dialogue and mission for the sake of all God's people **Who's Afraid of Postmodernism? (The Church and Postmodern Culture)** James K. A. Smith, 2006-04-01 The philosophies of French thinkers Derrida Lyotard and Foucault form the basis for postmodern thought and are seemingly at odds with the Christian faith However James K A Smith claims that their ideas have been misinterpreted and actually have a deep affinity with central Christian claims Each chapter opens with an illustration from a recent movie and concludes with a case study considering recent developments in the church that have attempted to respond to the postmodern condition such as the emerging church movement These case studies provide a concrete picture of how postmodern ideas can influence the way Christians think and worship This significant book winner of a Christianity Today 2007 Book Award avoids philosophical jargon and offers fuller explanation where needed It is the first book in the Church and Postmodern Culture series which provides practical applications for Christians engaged in ministry in a postmodern world **Evangelicalism and the Emerging Church** Cory E. Labanow, 2016-04-22 With the Christian church in the west in decline some churches are undergoing difficult transitions as they seek to become relevant to both themselves and their surrounding cultures Evangelicalism and the Emerging Church details an ethnographic study of a

Vineyard congregation making sense of their Vineyard roots and their growing relationship with the self proclaimed emerging church network Through a rich account of congregational life and tensions universal issues are raised such as relating to religious parentage creating safe places for spirituality Christian growth and maturity communication with contemporary culture and the challenges of identity reconstruction This book is the first to conduct an academic study of a Vineyard congregation in the United Kingdom

The Postmodern Church Timothy C. Lawless, 2012 Within the past twenty years the Church especially in America has experienced dwindling membership and attendance along with a host of other problems Many of these problems are symptomatic of a massive cultural shift toward postmodernism leading to discontentment with the Church In attempting to respond to these challenges the emergent Church has arisen as a major element of American religious culture Their methodology and doctrine is heavily influenced by postmodernism which presents a further challenge for Christian leaders and ministers This paper will survey the challenges facing the Church will describe the emergent Church s origin and response to these challenges and will suggest a Church ministry paradigm that answers the challenges of postmodernism while preserving the integrity of the Gospel message

Baptists and the Emerging Church Movement David Mark Rathel, 2014-07-24 In Baptists and the Emerging Church Movement David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives

The Emerging Church, Millennials, and Religion: Volume 1 Randall Reed, G. Michael Zbaraschuk, 2018-10-31 The landscape of American religion is changing dramatically Millennials are dropping out of church and new experimental types of Christianity such as the Emerging Church are coming to the fore But what is the future of religion in America and what role will Millennials play in that The results of three years of scholarly inquiry this collection of essays looks at the Emerging Church and Millennial religious responses and seeks to define and explore both phenomena always on the lookout for their intersection Bringing together a diverse collection of scholars in theology sociology history and comparative religion this book highlights the importance of both the Emerging Church and the Millennial generation s future for religion

Emerging Churches Eddie Gibbs, Ryan K. Bolger, 2005-12-01 The emerging church movement is perhaps the most significant church trend of our day

The emerging church offers and encourages a new way of doing and being the church. While it largely resonates with an eighteen to thirty four year old audience, the first fully postmodern generation, it is also gaining popularity with older Christians and encompasses a broad array of traditional and contemporary churches. *Emerging Churches* explores this movement and provides insight into its success. Filled with the latest research and interesting anecdotal testimonies from those on the cutting edge of ministry, this book provides pastors, church leaders, and interested readers with an insightful glimpse into the thriving churches of today and tomorrow. *Echoes of Eden* Eddie Dutra, 2016-06-24

The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control. The truth, however, is that they incur in the same mistakes of them. Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to people's desire, not according to God's interests or the true spiritual need of people. The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer; therefore, it gave them what they wanted. The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry. When we compare them, both groups are alike; they all use pragmatism as foundation for ministry; thus, their teachings are unbiblical, their practice unethical, and its results devastating to the Christian faith. The new painters take advantage of the mistakes of some groups of the evangelicalism; with this, they find the opportunity to throw out the baby with the dirty bathwater; they throw away the true Gospel along with the errors of the church. Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love. Fundamentalist fanatics, while they pose as open minded, good boy preachers and love givers with no trace of prejudice. By opposing legalism, these men went to the other extreme; they became libertines. Thus, their offered antidote became worse than the poison itself. The neoliberal theologians came not to bring healing to the church's problems; rather, they aggravated it. They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world. *Christianity and the Postmodern Turn* Myron B. Penner, 2005-07-01

In our post Cold War, post colonial, post Christian world, Western culture is experiencing a dramatic shift. Correspondingly, says Myron Penner, recent philosophy has taken a postmodern turn in which traditional concepts of reality, truth, language, and knowledge have been radically altered, if not discarded. Here, James K. A. Smith, John Franke, Merold Westphal, Kevin Vanhoozer, Douglas Geivett, and R. Scott Smith respond to the question: What perils and/or promises does the postmodern turn hold for the tasks of Christian thinkers? Addressing topics such as the nature of rationality and biblical faith, the relationship of language to reality, and the impact of postmodern concerns on ethics, this book presents a variety of positions in vigorous dialogue with each other. *Feminist Theologies for a Postmodern Church* Loraine MacKenzie Shepherd, 2002

Liberal modern approaches to theology have tended to silence voices from the margins. This book offers an alternative feminist theological approach that

more adequately addresses issues of diversity and marginalization. It critically examines and combines aspects of four different feminist approaches: Elisabeth Schüssler Fiorenza's critical modern, Mary McClintock Fulkerson's poststructural, Kwok Pui-lan's postcolonial, and Kathryn Tanner's postliberal. This alternative feminist theological approach is then used to examine how a liberal mainstream Protestant denomination has dealt with issues of sexual orientation and gender. Particular attention is given to biblical interpretation as shaped by community, the role of traditional doctrine, assumptions of authority and revelation, and communities of accountability.

What Would Jesus Deconstruct? John D. Caputo, 2014-05-14. Uses the postmodern theme of deconstruction to suggest a constructive and provocative way forward for the church.

The Politics of Discipleship (The Church and Postmodern Culture) Graham Ward, 2009-09-01. Internationally acclaimed theologian Graham Ward is well known for his thoughtful engagement with postmodernism. This volume, the fourth in The Church and Postmodern Culture series, offers an engaging look at the political nature of the postmodern world. In the first section, The World, Ward considers the signs of the times and the political nature of contemporary postmodernism. It is imperative, he suggests, that the church understand the world to be able to address it thoughtfully. In the second section, The Church, he turns to practical application, examining what faithful discipleship looks like within this political context. Clergy and those interested in the emerging church will find this work particularly thought-provoking.

Truth and the New Kind of Christian R. Scott Smith, 2005. R. Scott Smith surveys the influence of postmodernism and presents the claims of several Christian postmodern authors, including two key leaders in the Emerging Church. He uses their ideas as a starting point for a thorough critique of postmodernism, testing it against Scripture, reason, and logic, and evaluating its strengths and weaknesses. He assesses to what extent, if any, Christians should embrace Christian postmodernism.

Emerging Hope Jimmy Long, 2004-08-18. How do we do church in this era of cynicism? Jimmy Long looks at the connections between postmodernism and the emerging generations, GenXers and millennials, highlighting implications for evangelism and discipleship. Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging.

The Postmodern Life Cycle Friedrich Schweitzer, 2004-06-01. Schweitzer's goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges. He focuses on the life cycle as it is changing with the advent of postmodernity, looking sequentially at segments of the life cycle using different lenses: modernity, postmodernity, and responses from church and theology. Schweitzer concludes with a theology of the life cycle.

The Church in the Postmodern Global Village Johann-Albrecht Meylahn, 2010. This study aims to respond to two of the major challenges which congregations face: namely, postmodernity and globalization. After seeking a fuller description of these two challenges, I sought a theological orientation within the context of the postmodern global village, as well as an ecclesiological praxis that could be both transformative and redemptive. The narrative orientation guides the story of this study. The climax of this journey or story is in the fusion between the theory-laden questions of descriptive theology and the historical texts of the

Christian faith within the narrative orientation This study discovered that truly transformative and redemptive praxis is only possible within language communities or narrative communities These narrative communities do not exist in isolation but are continuously confronted by the stories of other communities in the global village These language communities therefore need to be open to the fragmentation and pluralism of the global village otherwise they will not be able to respond to the reality of globalization and postmodernity

Ahead of the Curve Daniel Fusco, 2011-03 American Christians are obsessed with postmodernism Books on the topic proliferate as Christians struggle to find their place and make a stand within the postmodern movement There is a problem however Postmodernist philosophy is on its way out A new worldview is already taking root Philosophers and pundits call the emerging worldview the Integral worldview In this timely book Fusco explores the new Integral worldview and what the church must do to stay Ahead of the Curve and be effective in the coming decades Daniel Fusco writes a first person report of what the future will be like for the American church as it engages an ever changing cultural milieu The insights in this book will help you prepare for future ministry in cultural settings more and more removed from any Christian context Dr Jeff Iorg President Golden Gate Baptist Theological Seminary Daniel Fusco is an intellectual with both theological and philosophical underpinnings that enable him to address the future wisely while being courteous towards the past Furthermore he is a practitioner who lives genuinely among the people of one of America's most post postmodern contexts Daniel personally embodies the integrity and the integration he writes about and for which this nascent world longs Linda Bergquist Author Church Turned Inside Out A Guide for Designers Refiners and Re Aligners
