**Politically Incorrect Guide to American History** Thomas E. Woods, 2004-01-04 The problem in America isn't so much what people don't know the problem is what people think they know that just ain't so Thomas E Woods Most Americans trust that their history professors and high school teachers will give students honest and accurate information The Politically Incorrect Guide to American History makes it quite clear that liberal professors have misinformed our children for generations Professor Thomas E Woods Jr takes on the most controversial moments of American history and exposes how history books are merely a series of clichés drafted by academics who are heavily biased against God democracy patriotism capitalism and most American family values Woods reveals the truth behind many of today's prominent myths MYTH The First Amendment prohibits school prayer MYTH The New Deal created great prosperity MYTH What the Supreme Court says goes From the real American revolutionaries to the reality of labor unions The Politically Incorrect Guide to American History is all you need for the truth about America objective and unvarnished [The Politically Incorrect Guide to Real American](#)

[Heroes](#) Brion McClanahan, 2012-11-13 Profiles heroic figures from the beginning of the United States history to the present whose contributions to society the author asserts have been overshadowed by the actions of those the liberal media holds in high esteem **The Politically Incorrect Guide to Darwinism And Intelligent Design** Jonathan Wells, 2006-08-01 A non

technical analysis of the controversial culture war over Darwin versus intelligent design states that there is no irrefutable evidence supporting Darwinism argues that Darwin based theories that are taught in school are not fact based and reveals how scientists at major universities believe in intelligent design Original **Politically Incorrect Guide to the Constitution** Kevin Gutzman, 2007-06-11 The Constitution of the United States created a representative republic marked by federalism and the separation of powers Yet numerous federal judges led by the Supreme Court have used the Constitution as a blank check to substitute their own views on hot button issues such as abortion capital punishment and same sex marriage for perfectly constitutional laws enacted by We the People through our elected representatives Now The Politically Incorrect Guide to the Constitution shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the constitutional law imposed upon us since then Instead of the system of state level decision makers and elected officials the Constitution was intended to create judges have given us a highly centralized system in which bureaucrats and appointed not elected officials make most of the important policies In The Politically Incorrect Guide to the Constitution Professor Kevin Gutzman explains how the Constitution Was understood by the founders who wrote it and the people who ratified it Follows the Supreme Court as it uses the fig leaf of the Constitution to cover its naked usurpation of the rights and powers the Constitution explicitly reserves to the states and to the people Slid from the Constitution's republican federal government with its very limited powers to an unrepblican judgeocracy with limitless powers How the Fourteenth Amendment has been twisted to use the Bill of Rights as a check on state power instead

of on federal power as originally intended The radical inconsistency between constitutional law and the rule of law Contends that the judges who receive the most attention in history books are celebrated for acting against the Constitution rather than for it As Professor Gutzman shows constitutional law is supposed to apply the Constitution s plain meaning to prevent judges presidents and congresses from overstepping their authority If we want to return to the founding fathers vision of the Republic if we want the Constitution enforced in the way it was explained to the people at the time of its ratification then we have to overcome the received wisdom about what constitutional law is The Politically Incorrect Guide to the Constitution is an important step in that direction *The Politically Incorrect Guide to the Vietnam War* Phillip Jennings,2010-02-23 Shatters culturally accepted myths of the Vietnam War as it reveals the truth about the battles players and policies of one of the most controversial wars in U S history *The Politically Incorrect Guide to the Great Depression and the New Deal* Robert Murphy,2009-03-31 Provides irrefutable evidence that not only did government interference with the market cause the Great Depression and our current economic collapse but Herbert Hoover s and Franklin Delano Roosevelt s big government policies afterwards made it much longer and much worse From publisher description *Politically Incorrect Guide to American History* Thomas E. Woods, Jr.,2004-12-01 Looks at American history with an irreverant and hard hitting look at the nation s important people and events concluding that the American Revolution was fought by conservatives and the First Amendment accepted state sponsored churches **The Barnes Review** ,2008 *Mises Memo* Ludwig Von Mises Institute,2002 **The New York Times Magazine** ,2005 *Chronicles* ,2008 *The Free Market* ,2005 **The Philosopher's Index** ,2007 Vols for 1969 include a section of abstracts **Real Men** R. Cort Kirkwood,2006-09 Most young Americans today know virtually nothing of the heroes of our not so distant past and much of what they think they know is wrong These heroes have largely been censored from our textbooks and culture Real Men is all about them I read about them heard about them saw movies about them while growing up R Cort Kirkwood writes They all were part of an American boy s life They inspired us and we aspired to be like them Ten of those men are memorialized in this book Francis Marion Eddie Rickenbacker Vince Lombardi Rocky Versace Wild Bill Hickok Lou Gehrig Audie Murphy Andrew Jackson David Crockett and Robert E Lee **The Journal of Social, Political and Economic Studies** ,1981 **Politically Incorrect Guide to the American Revolution** Larry Schweikart,Dave Dougherty,2017-06-26 The truth about the American Revolution is under attack Despite what you may have learned in school it wasn t a rich slaveholder s war fought to maintain white privilege In fact the War of Independence wasn t about maintaining any status quo it was the world s first successful bottom up revolution by the people ushering in a new dawn of liberty that history had never seen before But with left wingers dominating the teaching of history where can you go for the true story of the unprecedented events that made the United States the worlds greatest nation Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground breaking patriotic history you ve always wanted to read about the foundation of our unique nation The

Politically Incorrect Guide to the American Revolution reveals Four key factors that applied only in America making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot fighting force was overwhelmingly Scotch Irish The key role of Protestantism which denominations tended to become Patriots and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others that all failed Schweikart and Dougherty take on the left wing myths starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous A People's History of the United States and uncover the truth about America's beginning     **The British National Bibliography** Arthur James Wells,2009     *Politically Incorrect Guide to the Presidents, Part 1* Larry Schweikart,2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country     **Democracy** ,2007     **American Book Publishing Record** ,2007
