,1970      The Power Pop Continuum David Paul Mitchell,2003-07 Ntarikon is a non poem that speaks to everyone and to no  
one Throughout life from the cradle to the grave we store information culled from our personal experiences from the  
experiences of others and try in some way to make sense of it all When we are not able to make sense of the things that occur  
in our lives we often externalize the information through writing By doing this we are afforded a different perspective thus  
allowing us to think more clearly about the things that have happened in our lives Poetry is one of the ways in which I  
externalize my thoughts Versification is arguably a passionate art form It has provided me with an outlet for exploring my  
innermost thoughts and emotions Poetry allows me to communicate issues that I might not be able otherwise to openly  
discuss It affords me the opportunity to re evaluate myself my relationship with others my station in life and the world around  
me Poetry can be therapeutic allowing us to work through issues in our lives to find solutions clarity comfort and peace of  
mind It provides a vehicle of expression for diverse attitudes and fresh insights The poetry within Ntarikon is from every  
point on the spectrum every topic every intention every event or emotion imaginable It is important to keep in mind that each  
verse in the poem is the voice of the poet a piece of a mind that yearns to bring sanity to a world gone topsy turvy of a heart  
that feels the effects of every moment in this life and perhaps of a memory that is striving to surface Recalling our yesterdays  
gives birth to our tomorrows      *National Science Foundation ... Engineering Senior Design Projects to Aid the Disabled*
