The Practical Dog:

The Practical Dog Book Edward C. Ash,1991-12 **Practical Dog Training; Or, Training Vs. Breaking** Stephen Tillinghast Hammond,1887 **Practical Dog Breeding: Principles & Practice** William Haynes,2011-12-13 Originally published in 1928 this book deals in a clear and concise way with all the fundamentals of dog breeding Contents include Reproduction Variation Heredity Selection Pedigree Studies Breeding Systems The Stud Dog The Brood Bitch Puppies Dog Breeding Calculator Bibliography The author was a well known dog breeder and penned many books on various dog breeds Many of the earliest dog books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing many of these classic works in affordable high quality modern editions using the original text and artwork *Practical Dog Training* Stephen Tillinghast Hammond,1894 *Practical Dog Training* S. T. Hammond,2015-06-12 Excerpt from Practical Dog Training Or Training Vs Breaking The system of dog training described in this book is a new one Its fundamental principles were adopted by the writer thirty years ago the details of the method as here given have been developed and perfected by him during that time His own success with it has encouraged the belief that its publication would be welcomed by the thousands of American sportsmen who own and handle field dogs This belief it is a pleasure to say has been confirmed by the marked favor accorded to the successive chapters as they appeared in the Forest and Stream from which journal they are here reprinted This system is humane and rational It is also practical and efficient Dog training differs essentially from dog breaking both in method and spirit and also in what may be accepted as the test of all systems namely the results attained The pages of this book contain no theories They are a plain simple record of the plan which has been tested by the writer in the field year after year He believes that the same plan may be followed by others with equal success It is therefore with the fullest confidence in the merits of this system of Dog Training vs Dog Breaking that it is submitted to the public The story of My Old Dog Trim is added because from his day the author dates his conversion to the belief that training is better than breaking The sketch of The One Eyed Grouse of Maple Run is also given that the reader may have in it some of the reasons for the faith that is in us when we advise the introduction of the youngsters to the haunts of this royal bird These sketches are also given as illustrative of some of the pleasures enjoyed in the field in the companionship of a well trained dog About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Practical Dog Training; Or Training Vs. Breaking** S. T. Hammond,1898 **Practical Dog Training** S. T. Hammond,2017-09-15 Excerpt from Practical Dog

Training Or Training Vs Breaking The success attained by this little volume has surprised no one more than its author His faith in the system which he has pursued for so many years has never wavered but he confesses that he did doubt that the general public would accept his dicta and what is more important would be able to put in practice his method In thus doubting the receptivity of those who own dogs he has done them a grievous injustice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Practical Dog Training; Or, Training Vs.
