

# The Presidency Of Abraham Lincoln

**Jim Hargrove**

## **The Presidency Of Abraham Lincoln:**

The Presidency of Abraham Lincoln Phillip Shaw Paludan,1994 In this study Paludan offers us Lincoln in the round a complex even contradictory personality who found greatness without seeking it and who felt deeply troubled about what he perceived as his failings as a President and person Abraham Lincoln's Presidency Catherine M. Andronik,Karen Latchana Kenney,2016-08-01 Abraham Lincoln was born to poor parents in a log cabin on the western frontier of a young nation The unity of the United States which had been built on the ideal that all people are created equal was cracking under the heavy yoke of slavery As Lincoln embarked on his presidency the slaveholding states in the South left the Union causing him to face the American Civil War Lincoln said the war was no less than a fight to save government of the people by the people and for the people Though his life was cut short Lincoln s leadership and his written words continue to inspire Americans **The Presidency of Abraham Lincoln** Don Nardo,2014-07-01 Abraham Lincoln and the American Civil War are forever linked

The bloody conflict began in 1861 the year Lincoln was elected president It ended in 1865 the year he was struck down by an assassin s bullet During those years the admired and despised 16th president served as a brilliant commander in chief ultimately keeping the nation together and freeing thousands of its enslaved people

## **366 Days in Abraham Lincoln's Presidency**

Stephen A. Wynalda,2010-05-18 In a startlingly innovative format journalist Stephen A Wynalda has constructed a painstakingly detailed day by day breakdown of president Abraham Lincoln s decisions in office including his signing of the Homestead Act on May 20 1862 his signing of the legislation enacting the first federal income tax on August 5 1861 and more personal incidents like the day his eleven year old son Willie died Revealed are Lincoln s private frustrations on September 28 1862 as he wrote to vice president Hannibal Hamlin The North responds to the Emancipation proclamation sufficiently with breath but breath alone kills no rebels 366 Days in Abraham Lincoln s Presidency includes fascinating facts like how Lincoln hated to hunt but loved to fire guns near the unfinished Washington monument how he was the only president to own a patent and how he recited Scottish poetry to relieve stress As Scottish historian Hugh Blair said It is from private life from familiar domestic and seemingly trivial occurrences that we most often receive light into the real character Covering 366 nonconsecutive days including a leap day of Lincoln s presidency this is a rich exciting new perspective of our most famous president This is a must have edition for any historian military history or civil war buff or reader of biographies

**Before Abraham Lincoln Was President** Theresa Morlock,2017-12-15 Before he was president Abraham Lincoln he was a lawyer in a large hat Following his rise to the presidency offers readers an inside look at how the signer of the Emancipation Proclamation came to run the nation From Lincoln s birth in a one room log cabin to his early days practicing law and working in politics his life is full of triumphs and tragedy The places he lived and the people he loved are all chronicled in this exciting work filling in the blanks in the life story that often starts for many when he assumed the role as America s 16th president Abraham Lincoln Jerry Wilson,2021-12-15 This book is a dedication to the 16th President and

commander in chief of the United States of America Abraham Lincoln To show how respected and influential President Lincoln was before during and after his reign and tenure as President this book traces a genealogical line through his life death and legacy To begin this book explores Lincoln s childhood and some of the experiences and events that may have had a hand in him becoming one of the most famous American presidents Moving forward this book includes chapters that each touch on and highlight topics such as Lincoln s entrance into the political arena memorable moments from the Lincoln presidency and the controversy of his death The final chapter includes and explores the legacy Abraham Lincoln left behind both for his family and for the American people not to mention people worldwide who remain to be influenced by his words and actions Ultimately this book shows and explores the reasons why President Abraham Lincoln is remembered to be one of the greatest presidents of the United States of America and why his death was such a shock trauma and tragedy for those who truly believed in his greatness

*Abraham Lincoln* Susan Sloate,1989-08-12 The life and times of America s most famous champion of liberty a man of peace whose fate was to lead a nation at war with itself Join young Lincoln in the Kentucky wilderness and see how his thirst for knowledge and justice led him to the presidency where he would be called

upon to preserve the Union and abolish the evil of slavery forever

*Lincoln's Sword* Douglas L. Wilson,2011-11-02 Widely considered in his own time as a genial but provincial lightweight who was out of place in the presidency Abraham Lincoln astonished his allies and confounded his adversaries by producing a series of speeches and public letters so provocative that they helped revolutionize public opinion on such critical issues as civil liberties the use of black soldiers and the emancipation of slaves This is a brilliant and unprecedented examination of how Lincoln used the power of words to not only build his political career but to keep the country united during the Civil War

*Abraham Lincoln* John M. Hay,John George Nicolay,2009-01-01 Considered one of the best treatments of the presidency of Abraham Lincoln of its time this portrait of the man and his administration of the United States at the moment of its greatest upheaval is both intimate and scholarly

Written by two private secretaries to the president and first published in 1890 this astonishingly in depth work is still praised today for its clear easy to read style and vitality This new replica edition features all the original illustrations Volume Two covers the conventions of 1856 Congressional ruffianism Dred Scott the Lincoln Douglas debates Lincoln s Ohio speeches the Cooper Institute speech the presidential election beginnings of rebellion the Forty Muskets and much more American journalist and statesman JOHN MILTON HAY 1838 1905 was only 22 when he became a private secretary to Lincoln A former member of the Providence literary circle when he attended Brown University in the late 1850s he may have been the real author of Lincoln s famous Letter to Mrs Bixby After Lincoln s death Hay later served as editor of the New York Tribune and as U S ambassador to the United Kingdom under President William McKinley American author JOHN GEORGE NICOLAY 1832 1901 was born in Germany and emigrated to the U S as a child Before serving as Lincoln s private secretary he worked as a newspaper editor and later as assistant to the secretary of state of Illinois He also wrote Campaigns of the Civil War

1881    **Abraham Lincoln** Jim Hargrove,1988 This book traces the life of the frontier clerk storekeeper lawyer politician and Civil War President    **The President Is Dead!** Louis L. Picone,2020-02-04 Updated Edition A fun anecdote filled encyclopedic look at the circumstances surrounding the deaths of every president and a few almost presidents such as Jefferson Davis Packed with fun facts and presidential trivia The President Is Dead tells you everything you could possibly want to know about how our presidents from George Washington to George H W Bush who was the most recent president to die met their ends the circumstances of their deaths the pomp of their funerals and their public afterlives including stories of attempted grave robbers reinterments vandalism conspiracy theories surrounding their deaths and much more The President Is Dead is filled with never before told stories including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb s blood You may have heard of a plot to rob Abraham Lincoln s body from its grave site but did you know that there was also attempts to steal Benjamin Harrison s and Andrew Jackson s remains The book also includes Critical Death Information which prefaces each chapter and a complete visitor s guide to each grave site and death related historical landmark An Almost Presidents section includes chapters on John Hanson first president under the Articles of Confederation Sam Houston former president of the Republic of Texas David Rice Atchison president for a day and Jefferson Davis Exhaustively researched The President Is Dead is richly layered with colorful facts and entertaining stories about how the presidents have passed Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home    **The Presidency of Benjamin Harrison** Homer Edward Socolofsky,Allan B. Spetter,1987 Benjamin Harrison was an early proponent of American expansion in the Pacific a key figure in such landmark legislation as the Sherman Anti Trust Act and the McKinley Tariff and one of the Gilded Age s most eloquent speakers Yet he remains one of our most neglected and least understood presidents In this first interpretive study of the Harrison administration the authors illuminate our twenty third president s character and policies and rescue him from the long shadow of his charismatic secretary of state James G Blaine An Ohio native and Indiana lawyer Harrison opened the second century of the American presidency in a rapidly industrializing and expanding nation His inaugural address reflected the nation s optimism The masses of our people are better fed clothed and housed than their fathers were The facilities for popular education have been vastly enlarged and more generally diffused The virtues of courage and patriotism have given proof of their continued presence and increasing power in the hearts and over the lives of our people But the burdens and realities of his office soon imposed themselves upon Harrison The biggest blow came at midterm with the Republicans

devastating losses in the 1890 congressional elections In an era of congressional dominance those losses eroded Harrison s position as a legislative advocate at least for domestic issues His impact in foreign affairs was more lasting One of the highlights of this study is its revealing look at Harrison s visionary foreign policy especially toward the Pacific Socolofsky and Spetter convincingly demonstrate that although Harrison s ambition to acquire the Hawaiian Islands was not realized during his presidency his foreign policy was a major step toward American control of Hawaii and American expansion in the Far East

**The Life of Abraham Lincoln** Isaac N. Arnold,1896 Isaac Newton Arnold draws upon his twenty five year acquaintance with Abraham Lincoln to create an in depth intimate biography of the sixteenth President of the United States His first hand knowledge of Lincoln provides a unique perspective into the personal and professional life of the president From his marriage to Mary Todd his time as a lawyer in Illinois his reputation making debates with Stephen Douglas through the historic speeches and the dire years of the Civil War Arnold gives us an insider s view of the man and the era Presented as it was originally published in 1885 *Abraham Lincoln* Michael Burlingame,2013-04 Overview In the first multi volume biography of Abraham Lincoln to be published in decades Lincoln scholar Michael Burlingame offers a fresh look at the life of one of America s greatest presidents Incorporating the field notes of earlier biographers along with decades of research in multiple manuscript archives and long neglected newspapers this remarkable work will both alter and reinforce current understanding of America s sixteenth president In volume 2 Burlingame examines Lincoln s presidency and the trials of the Civil War He supplies fascinating details on the crisis over Fort Sumter and the relentless office seekers who plagued Lincoln He introduces readers to the president s battles with hostile newspaper editors and his quarrels with incompetent field commanders Burlingame also interprets Lincoln s private life discussing his marriage to Mary Todd the untimely death of his son Willie to disease in 1862 and his recurrent anguish over the enormous human costs of the war

**Abraham Lincoln** George S. McGovern,2008-12-23 America s greatest president who rose to power in the country s greatest hour of need and whose vision saw the United States through the Civil War Abraham Lincoln towers above the others who have held the office of president the icon of greatness the pillar of strength whose words bound up the nation s wounds His presidency is the hinge on which American history pivots the time when the young republic collapsed of its own contradictions and a new birth of freedom sanctified by blood created the United States we know today His story has been told many times but never by a man who himself sought the office of president and contemplated the awesome responsibilities that come with it George S McGovern a Midwesterner former U S senator presidential candidate veteran and historian by training offers his unique insight into our sixteenth president He shows how Lincoln sometimes went astray particularly in his restrictions on civil liberties but also how he adjusted his sights and transformed the Civil War from a political dispute to a moral crusade McGovern s account reminds us why we hold Lincoln in such esteem and why he remains the standard by which all of his successors are measured **Abraham Lincoln: for the People** Anne Colver,1970 A biography of the president who

preserved the American Union during the Civil War     *African Americans and the Presidents* F. Erik Brooks, Glenn L. Starks, 2019-04-18 The president is arguably the most recognized and powerful individual in the United States This reference work explores the American presidency in relation to issues of race concerning the African American community This work provides a contemporary and refreshing examination of the American presidency through the prism of race and race relations in America revealing a long and complicated relationship between the U S presidency and the African American community The book evaluates each of the forty five American presidents policies cabinet appointments and handling of race matters in the United States Following an extensive timeline chronological chapters take an incisive look at each American president s life and career as well as the policies enacted during his presidency that affected the African American community The presidents personal writings memoirs autobiographies and biographies frame their views on the issue of race and how they dealt with it before during and after their presidency

**Lincoln Mediated** Gregory Borchard, David W. Bulla, 2017-07-05 Lincoln Mediated provides new information about a historical figure everyone thinks they know It describes how Abraham Lincoln worked with the press throughout his political career beginning with his service in Congress in the late 1840s and detailing how his ties to newspapers in Illinois New York and Washington played a central role in the success of his presidency Gregory A Borchard and David W Bulla study how Lincoln used the press to deliver his written and spoken messages how editors reacted to the president and how Lincoln responded to their criticism Reviewing his public persona through the lens of international media and visually based sources a fascinating profile emerges The authors cite the papers of Lincoln the letters of influential figures and content from leading newspapers The book also features nineteenth century illustrations and photographs Lincoln Mediated ties the president s story directly to the press illuminating his role as a writer and as a participant in making the news Lincoln s legacy cannot be understood without understanding the role the press played in helping shape how he was viewed As the authors show Lincoln was a man not just a political figure Lincoln

Mediated is a worthy addition to Transaction s Journalism series     **Abraham Lincoln : Contemporary** Frank J. Williams, William D. Pederson, 1995-07-21 According to Lincoln scholar David E Long The Jewel of Liberty Abraham Lincoln s Reelection and the End of Slavery history has thrown up precious few individuals who have reshaped the landscape of human experience and potential Of all the great national leaders of the previous century the individual who stands like a colossus astride the nineteenth century the champion of democratic government and the common person at a time when the rest of the world had rejected such notions in favor of monarchs and despots is Abraham Lincoln and he is at the center of American history Lincoln writes Lang has been a source of inspiration for every generation of Americans since the Civil War and every president since Lincoln has had the unenviable task of attempting to conduct his administration against the measuring stick left by our sixteenth chief executive As demonstrated by this wide range of essays his influence is indeed pervasive These papers written by many of today s leading presidential scholars and social historians contribute significantly

to our understanding and appreciation of Lincoln the president emancipator constitutionalist and role model. Some of the topics include a fascinating examination of Lincoln's quarrelsome yet capable cabinet a trio of insightful essays on his impact on successors Rutherford Hayes FDR and Gerald Ford two sharply contrasting opinions regarding Lincoln's contentious relations with the Supreme Court and his assumption and exercise of extraordinary if not unconstitutional powers and an engrossing discussion of the visions dreams and premonitions that haunted Lincoln until his death by an assassin's bullet. Just as Lincoln himself was a benchmark for presidential successors *Abraham Lincoln Contemporary* will be the benchmark against which future collections of essays will be measured      **Bulletin of the Salem Public Library** Salem Public Library, 1897
