*Prince and the Pauper Annotated Book* Mark Twain, 2020-08-16 The youngest son of a poor family Tom Canty lives in the relatively poor area of London known as Offal Court Tom has always known that he was made for better things and aspires to a more well to do lifestyle The local parish priest is very encouraging to him and teaches him to read and write Tom spends a lot of time hanging around the gates of the palace eventually this pays off he meets Edward Tudor Prince of Wales This is seen as somewhat of a threat to the Prince's safety by his guards who want to whisk him off and beat him for his insolence but Edward speaks up for Tom and asks him to accompany him into the palace chamber The two boys begin to strike up a friendship despite their different stations in life and their wildly divergent upbringings what they have in common is that they are two young boys of the same age who happen to look very similar to each other They are both fascinated by the other's life The wildest coincidence is that they share the same birthday One thing leads to another and they decide to switch places for the day The Prince goes outside dressed like Tom He is carrying an important document with him The guards don't recognize him and they drive him as far as the outer walls of the palace When he is dropped off he makes his own way to Tom's family's home It is a brutal experience Tom's father is an alcoholic and extremely abusive He manages to escape from him and he meets a soldier nobleman Miles Hendon who is returning from war Miles doesn't believe a word of the boy's story about being a prince disguised as a poor boy but he likes the boy and he decides to humor him by pretending that he believes what he is saying He becomes his wing man and protector In the middle of the boys identity switch news arrives that King Henry VIII has died which means that Prince Edward is now King of England Tom is disguised as Edward and struggling to get used to the way in which the Court works and with its customs Because he does not seem to know what is what everyone believes him to have some kind of illness that causes loss of memory They are worried that he will eventually go mad They ask him over and over again about the Great Seal of England but he remembers nothing about it or where it is They are slightly placated when Tom is asked to view judgement proceedings and makes some very sound observations He cannot be that mad if he still has this much common sense

**The Prince and the Pauper (Unabridged)** Mark Twain, 2021-07-09 Tom Canty youngest son of a poor family living in Offal Court located in London has always aspired to have a better life encouraged by the local priest who has taught him to read and write Loitering around the palace gates one day he meets Edward Tudor the Prince of Wales Coming too close in his intense excitement Tom is caught and nearly beaten by the Royal Guards However Edward stops them and invites Tom into his palace chamber There the two boys get to know one another Fascinated by each other's life and their uncanny resemblance to each other and learning they were even born on the same day they decide to switch places temporarily The Prince hides an item which the reader later learns is the Great Seal of England then goes outside however dressed as Tom he is not recognized by the guards who drive him from the palace He eventually finds his way through the streets to the Canty home There he is subjected to the brutality of Tom's alcoholic and abusive father from whom he manages to escape and meets Miles Hendon a soldier and nobleman returning from war Although Miles does not

believe Edward's claims to royalty he humors him and becomes his protector. Meanwhile news reaches them that King Henry VIII has died and Edward is now the king. Tom dressed as Edward tries to cope with court customs and manners. His fellow nobles and palace staff think the prince has an illness which has caused memory loss and fear he will go mad. They repeatedly ask him about the missing Great Seal of England but he knows nothing about it. However when Tom is asked to sit in on judgments his common sense observations reassure them his mind is sound. As Edward experiences the brutal life of a London pauper firsthand he becomes aware of the stark class inequality in England. In particular he sees the harsh punitive nature of the English judicial system where people are burned at the stake pilloried and flogged. He realizes that the accused are convicted on flimsy evidence and branded or hanged for petty offenses and vows to reign with mercy when he regains his rightful place. When Edward declares to a gang of thieves that he is the king and will put an end to unjust laws they assume he is insane and hold a mock coronation. After a series of adventures including a stint in prison Edward interrupts the coronation as Tom is about to be crowned as king. The nobles are shocked at their resemblance and refuse to believe that Edward is the rightful king wearing Tom's clothes until he produces the Great Seal of England that he hid before leaving the palace. Edward and Tom switch back to their original places and Edward is crowned King Edward VI of England. Miles is rewarded with the rank of earl and the family right to sit in the presence of the king. In gratitude for supporting the new king's claim to the throne Edward names Tom the King's Ward a privileged position he holds for the rest of his life. The ending explains that although Edward died at the age of 15 he reigned mercifully due to his experiences while Tom lived to be a very old man.
