## **The Private Eye Beguiled:**

Beguiled Deeanne Gist, J. Mark Bertrand, 2010-02-01 When novelists Deeanne Gist and J Mark Bertrand first met in a Houston critique group they never expected where friendship would take them. She wrote romance, he wrote crime novels. But growing respect for each other's work culminated in the decision to try blending their talents into this wonderfully engaging story merging romance and mystery. Rylee Monroe walks dogs in old money Charleston, a part of the city recently targeted by a daring thief. Logan Woods works the crime beat for the local paper but dreams of a life as a nonfiction writer. When the string of robberies takes a strange twist, Logan sees the making of a once-in-a-lifetime book that seems to circle around this charming eye-catching dogwalker. But pursuing the truth means ignoring that he seems to be falling for her. And what is she hiding in her past that could crack the story wide open?

*The Road Less Travelled* Allan Smith, 2018-09-04 An Australian man, Adam White, finds himself in London working for an unidentified international organisation, work that brings him into intimate contact with good and evil, with life and death itself. His own life hangs in the balance. Can good ultimately triumph over evil? Can a good man do evil things? Does redemption lie at the end of the road less travelled?

### **Impersonation. Novel**

Tamsin Walker, 2014-10-30 About this Edition I caught a glimpse of myself today. I saw my description in the pages of a book in the words of a man I have never met. When Ruth receives a new novel from her book club, she is immediately intrigued. The Ruthlessness of One Man claims to be about a real life London commuter, and as Ruth delves further into the dark tale, she makes a sinister discovery. She is that commuter. As Ruth reads on and becomes convinced that the author, Mr. Walden, intends her to be more than just his muse, she must unravel the story to uncover just what he has in store for her, both on paper and in reality. Ultimately, she only has the book itself to piece together. Mr. Walden's identity and motive. But can she do it in time to stop herself from becoming the victim of a twisted literary plot? Tamsin Walker's powerful debut novel has an elegant and assured style which balances mystery, dark humour, and a subtle evocation of place and character, which fits perfectly with the suspense of the plot. A talent to look out for: J.P. Davidson, Author of *Planet Word*. An intriguingly original literary detective story, a clever premise, disturbingly well developed.

### **Age of Assassins**

Michael Newton, 2012-10-16 These were the crimes that were meant to change the world, and sometimes did. The book connects the killing of the Kennedys or the murder that sparked the First World War with less well known stories such as the Berlin shooting of an instigator of the Armenian genocide or the attack on an American robber baron. Taking in Malcolm X and Queen Victoria, Adolf Hitler and Andy Warhol, Charles Manson and Emma Goldman, Tsars, Presidents and pop stars, *Age of Assassins* traces the process that turned thought into action and murder into an icon. In tackling the history of political violence, the book is unique in its range and attention to detail, summoning up an age of assassination that is far from over.
