## **The Catholic:**

Dorothy Day and the Catholic Worker Nancy L. Roberts, 1984-01-01 Fifty years ago Dorothy Day sold the first issue of the Catholic Worker in New York and one of the most remarkable newspapers in American history was born. It advocated something revolutionary for 1933 America: the union of Catholicism with a passionate concern for social justice and with personal activism. Today the Catholic Worker still a monthly with some 100 000 subscribers remains a leader in pacifism and social justice activism. The dean of American journalism historians Edwin Emery recently acknowledged the extremely significant role of the Catholic Worker in the history of advocacy and religious journalism. Dorothy Day and the Catholic Worker examines Dorothy Day's vital role as editor, publisher and chief writer, the person who guided the paper's content and tone until her death in 1980 at the age of 83. A devout Catholic, Dorothy Day never criticized the Church's teachings only its failure to live up to them. Her determined leadership gave the Catholic Worker its consistency and continuity through even those periods in American history most hostile to its message. Dorothy Day and the Catholic Worker is the first full length scholarly study of the newspaper. Drawing primarily on the Dorothy Day Catholic Worker Collection at Marquette University and on interviews with former Catholic Worker editors from the 1930s on, it traces the paper's history highlighting crisis points such as the Spanish Civil War and World War II when individuals selling the Catholic Worker were sometimes beaten in the streets. During the McCarthy era, the Korean War and the war in Vietnam the Catholic Worker maintained its commitment to peace and social justice. A final chapter links the Catholic bishops' recent pastoral letter on nuclear warfare with the peace leadership provided by the Catholic Worker.

**The Catholic Family** William Sander, 2019-06-26  
Considering the effects of a Catholic heritage on families as a whole and on individuals within families. William Sander looks at the patterns of marriage and intermarriage, divorce and fertility. He then turns to human capital issues in elucidating the effects of a Catholic background on academic achievement, earnings, employment and health habits. Examining the effects of Catholic schooling, Sander takes into account the select nature of the Catholic school population and shows that Catholic high schools have a large negative effect on dropout rates but a positive effect on the test scores of African Americans and Hispanics.

**The Catholic Counterculture in America, 1933-1962** James Terence Fisher, 2001-02-01 James Fisher argues that Catholic culture was transformed when products of the immigrant church largely inspired by converts like Dorothy Day launched a variety of spiritual, communitarian and literary experiments. He also explores the life and works
