The Cherokee Trail:

The Cherokee Trail Louis L'Amour, 2004-12-28 A woman ahead of her time Mary Breydon knew how to get things done Raised on a Virginia plantation she learned how to care for livestock respect her workers and keep good books But after her husband is killed Mary must provide for her young daughter by running a stage coach station on the Cherokee Trail With the help of an Irish maid and a mysterious stranger Mary faces challenges that even the men eagerly anticipating her failure would have a difficult time overcoming After firing the previous station manager with the aid of a bullwhip she must track down stolen horses care for a wayward boy and defend against Indians If that wasn't enough she also has to protect herself from the man who murdered her husband and is coming for Mary next *Walking the Trail* Jerry Ellis, 2001-01-01 Donning a backpack for a long lonely walk the author of *Marching Through Georgia* My Walk with Sherman retraces the Cherokee Trail of Tears the 900 miles his ancestors had been forced to travel in 1838 Map **The Cherokee Trail**, 1930* *The Cherokee Trail* Louis L'Amour, 1982 It was no work for a woman That's what they told Mary Breydon when she came to manage a rundown stagecoach station on the Cherokee Trail But Mary had no choice Her fine Virginia home burned to ashes in the Civil War and her husband was brutally shot down on the way to Colorado She needed to make a new beginning for herself and her young daughter on the raw frontier Isolated in an untamed land their life at the station was achingly hard and they faced the constant danger of attacks by outlaws and marauding Indians Yet with the support of a spirited Irish woman a fearless orphan boy and most of all the mysterious gunman Temple Boone Mary found the courage to shape her station into a vital stop on America's westward journey Until the vicious murderer whose bloody rampages had stained her past suddenly stalked Mary Breydon to Cherokee Station **Soft Rain** Cornelia Cornelissen, 2009-09-02 It all begins when Soft Rain's teacher reads a letter stating that as of May 23 1838 all Cherokee people are to leave their land and move to what many Cherokees called the land of darkness the west Soft Rain is confident that her family will not have to move because they have just planted corn for the next harvest but soon thereafter soldiers arrive to take nine year old Soft Rain and her mother to walk the Trail of Tears leaving the rest of her family behind Because Soft Rain knows some of the white man's language she soon learns that they must travel across rivers valleys and mountains On the journey she is forced to eat the white man's food and sees many of her people die Her courage and hope are restored when she is reunited with her father a leader on the Trail chosen to bring her people safely to their new land Praise for Soft Rain An eye opening introduction to this painful period of American history Publisher's Weekly The characters themselves transform a sorrowful story of adversity into a tale of human resilience Kirkus Reviews This gentle child's eye view will move readers enormously Jane Yolen **The Cherokee Trail** Lee Whiteley, Merrill J.
