Carlson, 2009-09-20 It s no sin to hurt Thousands of Christians suffer real emotional pain such as depression anxiety obsessiveness Many other Christians including prominent leaders believe emotional problems are the result of sin or bad choices These attitudes often only add to the suffering of those who hurt In this book Dwight Carlson marshals recent scientific evidence that demonstrates many emotional problems are just as physical or biological as diabetes cancer and heart disease While he never discounts personal responsibility Carlson shows from both the Bible and up to date medicine why it really is no sin to hurt Understandably and compellingly *Why Do Christians Shoot Their Wounded* brings profound help for those who hurt and those who counsel For those who suffer here is a powerful liberation from guilt For those who care for the suffering here is vivid proof that those in emotional pain deserve compassion not condemnation *Mental Health Through Christian Community* Howard John Clinebell, 1965 Chapter titles include The mental health mission of the local church The Christian message and mental health The worship service and mental health Preaching and mental health The prophetic ministry and mental health The church school s contribution to mental health Mental health and the group life of the church Creative church administration and mental health Fostering mental health by strengthening family life Pastoral

Peterson, 1982 Cover title A handbook of Christian counselling *Clergy Burnout and Emotional Exhaustion* Douglas W. Turton, 2010 How Emotional Problems Develop: with Guided Discussions Jack Larson, 2020-02-21 How Emotional Problems Develop helps Christians understand why people have problems growing emotionally and therefore spiritually The process of becoming mature that needs to occur in each person's life is sometimes interrupted by the inability to deal with emotional pain Most people have at least some unresolved pain from their past which much be healed so they can live a full life spiritually emotionally and relationally How Emotional Problems Develop explains how healing this unresolved pain can occur using a model that was laid out for us in Scripture the same model that Jesus used with His disciples The Great Problem of the Times: Being the Fifty Guinea Prize Essay on the Churches' Relation to Evangelistic Work Edward Smith (Wesleyan Minister.), 1883 *From Healing To Wholeness* Ebony Hudson, 2022-03-11 From past traumas to current crises to the healing needed for the daily bumps and bruises of life we can no longer view our mental health outside of our Christian faith The story in Luke 17 tells us that after one of the lepers that Jesus healed returned to Him he was told that his faith has made him whole This book discusses how we as Christians can be healed and made whole in the area of our emotional and mental health This book identifies specific steps that can be taken to begin and continue on the path of healing and toward wholeness It will also examine lessons we can learn from individuals in the Bible who struggled with mental and emotional issues despite their relationship with God This book seeks to help the reader fight the good fight of faith in the area of mental and emotional health and gives hope that with God all things truly are possible In a selfie driven society that depends on the current culture to determine norms and wellness this book returns the believer to the foundation of the Christian faith the Bible and the power of God to do what seems impossible In these pages is a message of hope that is desperately needed in the lives of individuals during these trying times Our mental and emotional health are important to God and it should be important to everyone within the kingdom of God Our struggles in this area do not represent weakness but instead they remind us that in this life we will have trials and tribulations yet we have been assured that we have a Savior who has overcome the world and as we depend on Him for healing we can be healed and made whole **Religious Systems and Psychotherapy** Richard H. Cox, 1973
