The Christian Journey:

The Christian Journey Jason Pfladderer, 2023-03-17 hips of your life Placing your trust in Jesus as your Savior is a huge turning point in life but it does not mean that suffering and trials are over Becoming a Christian starts a journey the Christian journey begins the moment you are born again and lasts until the day you die Some people think I made my decision Jesus is my Savior However when you look at their lives you do not see any change even though they claim to be Christians If that is the case then you can be very sure that they were not truly regenerated by the Holy Spirit The Bible says that the Christian is a new creation That means that there will be change in a person who has been regenerated by the Holy Spirit This book s purpose is to help God s people understand and stick with the Christian journey You are saved by faith alone but the Christian journey doesn t stop when you re saved it s just the beginning Preparing for the Christian Journey Beatrice Ivory, 2011-12 *The Journey* Rev. Nelson Brenner, 2022-10-14 Preface The Journey is a Christian perspective on life s journey from earth to glory In The Journey Reverend Brenner describes the Christian life in three aspects past present and future or beginning continuing and finishing the journey of faith He shows that the Christian life is analogous to the history of Israel in the Old Testament Broadly speaking Israel s history could be summed up in three stages deliverance from Egypt the wilderness sojourn and possessing Canaan the promised land The author shows how the Christian s life similarly may be viewed in three stages redemption from sin s bondage living for Christ in a sinful world and reaching our goal which is heaven the hope of all believers His main emphasis is on the second stage appropriately entitled the pilgrimage which is obviously the present time of our journey of living our Christian life now in this present evil world Reflecting again on Israel s history he shows how happy they were to escape Egypt but how discouraged and defeated they became during their wilderness journey because of hardships and trials and failed to reach their goal So the author reminds readers who are on this journey of faith that it s not how you start but how you finish and finish depending on what you do and how you do after your start and going forward So run that ye may obtain as 1 Corinthians 9 27 says So many other words of admonition are given to remind the Christian that he must remain dedicated and determined throughout his journey to reach the goal Again listen to the apostle Paul in Philippians 3 12 14 I follow after this one thing I do reaching forth I press toward the mark for the prize He is focused Making the journey is a collaborative effort between the believers and God our faith and his faithfulness The author s aim for this book is to encourage you as you continue on in your journey toward heaven **Pilgrim - Turning to Christ** Stephen Cottrell, Steven Croft, Paula Gooder, Robert Atwell, Sharon Ely Pearson, 2016-03-01 Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ A Christian course for the twenty first century Pilgrim offers an approach of participation not persuasion Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages Pilgrim assumes little or no knowledge of the Christian faith Individuals or small groups on the journey of discipleship in

the Episcopal tradition can use Pilgrim at any point There are many different aspects to helping people learn about the Christian faith We have taken as our starting point Jesus summary of the commandments We are called to offer our lives to God through loving God with all our mind soul strength and heart and to love our neighbor as ourselves Learning about Christian faith and growing in Christian faith is about more than what we believe It s also about the ways in which we pray and develop our relationship with God about the way we live our lives and about living in God s vision for the Church and for the world Course 1 Turning to Christ What do Christians believe This is the question explored as the questions that are asked at Holy Baptism are discussed We begin by looking at who Jesus was why did people want to spend time with him so long ago and why do we promise to turn to Christ and follow him today This is followed by learning what Christians believe about God Jesus Christ as the Son of God the Holy Spirit and the Baptismal Covenant A Christian's Journey A Modern Day Allegory Dick Hanson,2014 Many events led to the discovery colonization and formation of this new country called the United States Columbus declared that the Holy Ghost inspired him to make that incredible voyage in 1492 In America those that came were Pilgrims puritans other religious groups families individuals and freedom seekers Men and women like Roger Williams John Wesley Anne Hutchinson Ann Lee and William Penn helped create a land that had been reserved for the great purpose of religious freedom In 1820 Joseph Smith experienced the First Vision which would change the religious climate forever In 1830 the Church of Jesus Christ of Latter Day Saints was organized and has now expanded to most of the world This story is about one man John Pilgrim who started on a journey to find the true meaning and purpose of life On his journey he meets a Guide who helps him at various times to discover the meaning of his experience and understanding of the different characters and situations he encounters **Travelling Well** Stephen Cottrell,Steven J. L. Croft,2000 A companion guide for new Christians just setting out on the journey and for more experienced travellers who feel they may have lost their way and need to re set the compass This book gives help and instruction in major areas of the Christian life such as prayer reading the Bible worship relating faith to daily life sharing our faith seeking God s kingdom Each chapter explores a theme and has a selection of readings and prayers *Christian Journey* Felix Immanuel,2017-11-10 Christian Journey is a collection of 65 articles of several topics that every true Christian must know and understand from the Bible in order to grow in righteousness and holiness Each chapter is organised into an individual article It is the author s journey of how he found Paul s teachings contrary Christ s and how he rejected Paul to truly follow Christ and obey everything He taught **MY CHRISTIAN JOURNEY** CHARLES EDMOND LOONEY,2025-03-25 This book is all about my Christian walk from the time I was sixteen and still serving with my church I was ordained a deacon in 1973 and have served in that position in three foreign countries in Baptist churches and missions I also worked with youth for ten years in what was called World Changers which was such a blessing in my life **The Christian Experience, an Inquiry Into its Character and its Contents** Daniel W. Faunce,2024-04-26 Reprint of the original first published in 1881 **The Christian Journey - Ann Elizabeth**

Ann Elizabeth, 2020-09-17 Knowing how to live the Christian life is very important The Christian Journey will give you the many facets of our life pilgrimage in Jesus Christ *Pilgrim - Leader's Guide* Sharon Ely Pearson, Stephen Cottrell, Steven Croft, Paula Gooder, Robert Atwell, 2016-03-01 Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ A Christian course for the twenty first century Pilgrim offers an approach of participation not persuasion Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages Pilgrim assumes little or no knowledge of the Christian faith Individuals or small groups on the journey of discipleship in the Episcopal tradition can use Pilgrim at any point There are many different aspects to helping people learn about the Christian faith We have taken as our starting point Jesus summary of the commandments We are called to offer our lives to God through loving God with all our mind soul strength and heart and to love our neighbor as ourselves Learning about Christian faith and growing in Christian faith is about more than what we believe It is also about the ways in which we pray and develop our relationship with God about the way we live our lives and about living in God's vision for the Church and for the world There are two stages of material in Pilgrim There are four short Pilgrim books each comprising a course of six sessions in the Follow stage designed for those who are enquirers and very new to the faith Then there are four short Pilgrim books again each comprising a six session course in the Grow stage designed for those who want to go further and learn more Pilgrim is made up of two parts each with four courses contained in four booklets Follow Do you turn to Christ Releasing in March 2016 1 Turning to Christ 2 The Lord's Prayer 3 The Commandments 4 The Beatitudes Grow Will you continue in the Apostles teaching and fellowship Releasing October 2016 5 The Creeds 6 The Eucharist 7 The Bible 8 Church Kingdom Each course offers six sessions that combine a simple prayer reflection on a biblical selection using lectio divina an article by a modern writer and reflection questions The short courses in the four Followstage books can be approached in any order Together we believe they offer a balanced introduction to the Christian life and journey Our hope and prayer is that Pilgrim will help to introduce people to the Christian Way and also equip them to live their whole lives as disciples of Jesus Christ It will help inquirers and those new to the Christian faith as well as those who are new to The Episcopal Church or Episcopalians who wish to refresh and renew their learning commitment to Christ The aim of the Grow stage is to help people to learn the essentials for a life of discipleship A disciple is to be called to live in a rhythm of being with Jesus in community and to be sent to live out the Christian faith in the whole of his or her life Disciples need the support of other Christians and to be part of a community We need opportunities to reflect and pray together and to explore the riches of our faith The Grow stage supports that process both for new Christians and for those who have been Christians for many years Some groups who use the Grow material will be moving on from the Follow stage of Pilgrim Some will be specially convened just for this stage Component descriptions Leader Guide The Pilgrim Leader Guide has lots of helpful material for those who are leading any Pilgrim group A single guide covers all eight booklets and

gives an overview of the program as well as a process of how to lead a group of youth or adults in discussing the material This is an essential tool for anyone who wishes to offer any portion of Pilgrim in a small group whether in church school or home

A Christian's Journey of Thoughts Jeanisha Wan,2003-10-30 Many books have been written in the past about journeys There are stories written about journey to the center of the earth journey to the depths of the sea journey to the outer space and even journeying through time Our Christian life is a journey too that we began the moment we came to accept Christ as our Lord and Savior It is a journey with a destination eternal life with Christ in heaven And as with most journeys it is not without its challenges and trials This book is a compilation of articles that I have written in my Christian journey that details my reflections and thoughts as I journey with Christ While some of them may be personal experiences others are my reflections over contemporary issues in life Our journey and the road we take will determine whether we will reach our destination

A Christian Journey Louise Morelli,2004-04 It is a special book unique because it is a book about God Our Creator and man who was created in God s image It is about getting closer to God Getting to know more about Him Letting God in your daily life How God can be closer to you then a brother You might say how is that possible For God is a supreme being so far from all of us here on earth But getting down to reality God wants to know everyone Just where people are where they live there culture That is what my book is about getting to know God On A Christian Journey I believe people who read my book will experience God In a absolutely different way That is why I was moved to write this book I have also experienced God in my life in a absolutely Different way I wanted to share my book with others so that people too Can experience God in a absolutely different way also It is a very deep and moving book A special book
