**The Last Carousel** Nelson Algren,1975    **The Last Carousel** Nelson Algren,2025-08-05 The fiction and reportage included in The Last Carousel one of the final collections published during Nelson Algren s lifetime was written on ships and in ports of call around the world and includes accounts of brothels in Vietnam and Mexico stories of the boxing ring and reminiscences of Algren s beloved Chicago White Sox among other subjects In this collection not just Algren s intensity but his diversity are revealed and celebrated    *The Short Writings of Nelson Algren* Richard F. Bales,2022-09-15 Nelson Algren

was a renowned Chicago writer known for his social commentary and his novels like The Man with the Golden Arm and A Walk on the Wild Side Although he continues to be remembered almost exclusively for his novels this book aims to highlight the value and influence of his short form works Before he died in 1981 Algren had amassed a genre defying body of work including short stories articles poems and book reviews The present book features a comprehensive analysis and discussion of Algren s lost literature including everything but his novels One of the pieces covered is a masterpiece of race relations written in 1950 more than 60 years before the galvanization of the Black Lives Matter movement Another is a scathing poem about Algren s transatlantic love affair with Simone de Beauvoir Both items are reprinted in the book courtesy of the Algren estate This book also includes references to Algren s works that have yet to be studied by Algren scholars    [Nelson Algren](#)

Richard F. Bales,2024-11-07 This book addresses critical gaps in existing biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren s writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren s literary legacy might have diverged had he embraced more of the principles associated with New Journalism    **Supplement, 1969-1973** Estelle A.
