

KIRBY WARNING CHARLES II. OF THE ASSASSINATION PLOT, 1678.

# The Popish Plot

**Kate Braithwaite**

## **The Popish Plot:**

**The Popish Plot** John Philipps Kenyon, 1972 The Popish Plot was a fictitious conspiracy concocted by Titus Oates that between 1678 and 1681 gripped the Kingdoms of England and Scotland in anti Catholic hysteria Oates alleged that there existed an extensive Catholic conspiracy to assassinate Charles II accusations that led to the execution of at least 22 men and precipitated the Exclusion Bill Crisis Eventually Oates intricate web of accusations fell apart leading to his arrest and conviction for perjury Wikipedia

**The Popish Plot** John Pollock, 1944 *The Plot* Kate Braithwaite, London 1678 Charles II is likely to die without a legitimate heir His Catholic brother James is next in line to the throne Across the country fear of a return to Catholicism and its cruel persecution runs rife Fueling the hysteria are rumours of a Catholic plot to assassinate the king Orchestrated by Titus Oates its validity seems confirmed when prominent magistrate Sir Edmund Godfrey is brutally murdered and his body thrown into a ditch Nathaniel Thompson close ally to the king is certain Oates claims are a hoax He is determined to expose Oates as the traitor he truly is But Nat's convictions put him directly in sight of the conspirators Those who will stop at nothing to spread fear and unrest Nat's loyalty is tested to his King country and even his wife Can he find allies willing to prove his case without losing his livelihood his marriage even his life Page 4 of cover [The Popish plot, taken out of several depositions made and sworn before the parliament](#) Popish plot, 1680\* *The Popish Plot* John Pollock, 2014 First published in 1944 this book contains a detailed and comprehensive history of the fictitious Popish Plot which caused turmoil in the reign of Charles II Pollock rigorously investigates the background of the plot as well as the outcome for the plot's main mover Titus Oates and the long term impact the plot had on the British religious landscape

[An Historical Narrative of the Horrid Plot and Conspiracy of Titus Oates](#) William Eusebius Andrews, 1816 *The Popish Plot and Plotters Considered. By a Loyal Protestant. [In Verse.]*, 1680\* *Charles I and the Popish Plot* Caroline M.

Hibbard, 2017-11-01 Hibbard begins by setting court Catholicism in the context of English court alignments on domestic and foreign policy She then describes public reaction to royal policy and court Catholicism and the use parliamentary leaders made of anti Catholicism from 1640 to 1642 In this first study to focus on both the perceptions and the reality of popish plotting Hibbard concludes that behind the exaggerated claims lay genuine anxieties that historians should begin to take seriously Originally published 1983 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Popish Plot And Its Newest Historian* John Gerard, 2025-05-22 The Popish Plot And Its Newest Historian delves into the intricacies of the Popish Plot a notorious episode in 17th century English history John Gerard meticulously examines the events surrounding Titus Oates's allegations of a Catholic conspiracy to assassinate King Charles II This historical analysis offers a critical perspective on the motivations and consequences of the Popish Plot providing

readers with a nuanced understanding of its impact on English society and politics Gerard's work serves as a valuable resource for historians and anyone interested in the complexities of religious and political intrigue during a turbulent period in British history. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Hoax Victor Stater, 2022-07-26 The extraordinary story of the Popish Plot and how it shaped the political and religious future of Britain

Stater tells a complex and convoluted story with absolute clarity. As a work of historical scholarship Hoax is terrific. Robert G Ingram National Review Stater's accounts have the compulsively fascinating quality of a true crime podcast. Jeffrey Collins Wall Street Journal In 1678 a handful of perjurers claimed that the Catholics of England planned to assassinate the king. Men like the Reverend Doctor Titus Oates and Captain William Bedloe parlayed their fantastical tales of Irish ruffians medical poisoners and silver bullets into public adulation and government pensions. Their political allies used the fabricated plot as a tool to undermine the ministry of Thomas Lord Danby and replace him themselves. The result was the trial and execution of over a dozen innocent Catholics and the imprisonment of many more some of whom died in custody. Victor Stater examines the Popish Plot in full arguing that it had a profound and lasting significance on British politics. He shows how Charles II emerged from the crisis with credit moderating the tempers of the time and how as the catalyst for the later attempt to deny James II his throne through parliamentary action it led to the birth of two party politics in England.
