The Preachers Son:

The Preacher Son L. A. Ray, 2023-03-10 Lawrence Anthony Ray aka L A Ray is or was your average kid growing up in the South His grandfather was a Baptist preacher His father was a Baptist preacher He has two brothers who are Baptist preachers and two nephews who are Baptist preachers and everybody and their mama thought and expected that he would be the next preacher in the Ray family To everyone's surprise at the age of eighteen he joined the United States Army His intentions were to get away from his strong Christian upbringing and everyone's expectations of what and who they wanted him to be and go find out for himself who and what he wanted to be He was taught that God has a plan for everyone's life and he was on a mission to find out what was God's plan for his life as he hoped and prayed daily it was not to be a preacher

The Preachers Son Ayabulela Daweti ,2020-09-28 The life of a teenage boy fighting a battle in the head of wanting to come out to everyone about his status and be accepted as who he is not who they want him to be When he finally came out he realised his father is not the saint that everyone think he is He went from having a home to living in the streets and gaining chronic anxiety until he went to see a therapist Things started falling to its place and his father also wrote a letter and he apologized

The Preachers Boy Steven White, 2014-11-17 Steve White's story began in January of 1950 after being born to an African American poor Pentecostal preacher and an Italian mother in a little town just north of New York City With his father passing away at an early age and his mother not really knowing how to manage a household work and raise three young children by herself life was made very interesting to say to least for young Steven growing up Young Steven did not always travel the right road or in the right direction and refused to learn many things that would have helped him and he absolutely had his own mind and was very stubborn but the religious training taught by his father passed down through his mother proved to be beneficial in the latter years of his very twisted life So sit back and delve into the life of a man whose life most surely can and will help people with the same problems that plagued the life of Steven A White
