The Catholic Catechism:

The Catholic Catechism John Hardon, 2011-01-12 This volume is intended to meet a widely felt need for an up to date and concise source book on the principal teachings of the Catholic Church Since the close of the Second Vatican Council there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in Catholic practice that few people have been able to keep up with all that has happened A parallel purpose of this volume is to offer those who use it a handy guidebook of the Catholic tradition whether formally documented in ecclesiastical sources or implicitly accepted by the faithful under the aegis of the Church's hierarchical leaders The method followed in presenting the Church's doctrine is a combination of history and logic Doctrines are placed into a historical framework by tracing their origins to the Old and New Testaments and placing their development within the context of persons places and times The doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries The intended reading audience of this Catholic catechism are all those priests religious and laity and above all parents and teachers who are looking for a concise statement of the faith they profess the conduct they practice and the worship they give to the Lord From *The Catholic Catechism* by John A Hardon S J Catechism of the Catholic Church Catholic Church, 2000 The full

room for heretical interpretations at all That is the purpose of this work high clarity above all With total clarity several subjects are covered the definition of schismatic the Limbo Freemasons heretic the so called marriage among homosexuals the doctrine of the Church regarding the liberal freemasonic Democracy the responsibility that Catholics must have when voting or taking action on the political field the so called New Atheists movement the Consecration of Russia according to Our Lady of Fatima the future of the world according to the City of God of St Agustin etc All of these subjects of today and many others are addressed in this work with extreme and total clarity Here there is no room for error and no room for misunderstanding This is the Traditional Catechism that is really needed in the Year of the Faith and in any year
