The Chameleon:

The Chameleon's Dish Theodore Tilton, 1893 *The Chameleon's Tale* Andrea Bramhall, 2015-08-17 Childhood friends Imogen and Amahle couldn't come from more different backgrounds. One privileged and the other little more than a slave yet they thought nothing could tear their friendship apart. But a changing political landscape and an uncertain future cast Imogen into a lonely world away from everything and everyone she knows and by the time she returns to Africa everything has changed. Betrayal, deceit, and anger are the currency of the day and it is a far cry from the life Imogen wants to lead. When Amahle's family is caught up in the middle of a bitter legal battle she fights for what she believes is right. But what happens when those you believe in let you down? What happens when friend becomes foe and your world turns upside down? What can be built from the ashes of betrayal.

The Chameleon Sherwin-Williams Company, 1915 *The Chameleon's Bite* George Thomas Smith, 2011-11-21 This novel *The Chameleons Bite* is about an attempt by a secret hit squad under the guise of a legitimate military operation to do international crimes to increase hatred for the United States because of unauthorized assassinations in various corners of the globe. When Thomas Bernardo finds out that his patriotism and special training is being misused, Tomas joined the military because he believed it was a way to escape his crime-ridden neighborhood in New York. He wanted to make something positive of his life. Tomas had an unusual ability to learn languages and accents. He became a superior sniper and able to blend into many cultures. His missions were to infiltrate countries for the purpose of neutralizing a supposed threat to strategic interests of the United States. By eliminating a targeted bad guy, Tomas believed he was serving his country until during captivity in Afghanistan he became aware of information that led him to believe there was a terrorist mole named Kareem Karab high up in the U.S. government and associated with his operations. Tomas knew too much and attempts were made to kill him on several missions. Bernardos disgust for being duped into committing capital crimes compelled him to exact revenge against Colonel Tag Taggart, the officer who recruited him to the unit. A squad of assassins chases Tomas across international borders until there was a final resolution in Haiti.
