## **The Check Up Out And Abouts:**

**Everything About the Bible That You Never Had Time to Look Up** W. Milton Timmons, 2003-02 Visit the author's website at [www.miltontimmons.com](http://www.miltontimmons.com) Heretofore it has required years of study access to many rare books and superhuman effort to cut through the nearly impenetrable prose of these ancient books. Now all the hard work has been done for you in this easy to read summary. The project began during the course of collecting background material for a novel about the origins of Christianity when it soon became apparent that reliable information was very scarce. Perhaps half the books that shaped Western concepts of religion have ceased to exist. Many were destroyed as heretical after the early ecumenical councils closed the biblical canon in the fourth century; others have simply turned to dust. The oldest biblical manuscripts in existence are the Dead Sea Scrolls which go back to approximately 100 B.C.E. And the oldest Christian manuscripts are those found in the Gnostic library of Nag Hammadi in Egypt written in the fourth century C.E. But they don't contain any of the canonical books. All other information comes to us via copies of copies. Before invention of the printing press in 1450 all replication was by hand which allowed countless variations to creep into texts. Especially after translation into multiple languages many stories evolved into a wide spectrum of versions. Which is the true version? It is impossible to say. The aim of this volume is to be concise rather than exhaustive thus making available to general readers the main sources of Judeo-Christian thought without the distraction of scholarly disputes. For the benefit of those who may question the interpretation of certain documents or who wish more information about original sources a selected bibliography is included. It should be remembered that the books in this volume were written by very primitive people who were trying to make sense of the world with the only information they had. But even in those days most of these authors were not considered educated by their Greek and Roman contemporaries. Moreover the Jewish and Christian leaders who created the biblical canon rejected the majority of these documents as products of overheated imagination. So there are times when descriptions necessarily become a bit whimsical. Always however the goal has been to cover the author's main points while eliminating only the extraneous. Even though many of these books did not end up in any authorized Bible they have nevertheless been extremely influential in the evolution of religious traditions. To this day sermons, theological doctrines and Sunday school lessons are still based on these extra canonical sources. Where did medieval artists get the idea for all those paintings about the Assumption of the Virgin? There's nothing in the Bible about any such event. How do Catholics justify their doctrine that Mary remained a virgin all her life even though the Bible says Jesus had several brothers and sisters? Where did Dante Alighieri get his concepts about the levels of hell? Where did John Milton get the plot for his story about Lucifer the fallen angel? The documents contained in this book are where those ideas and a myriad others all came from.

**What Every Woman Should Know about Cervical Cancer** Nenad Markovic, Olivera Markovic, 2016-12-19 This book an updated and extended edition is about mobilizing women and health care policy makers and providers to unite their efforts in a single strategy for fighting cervical cancer worldwide.

The objective of this strategy would be to reverse cervical cancer prevalence and mortality rates among all 2 4 billion women at risk and to achieve this goal within 10 15 years of implementation Cervical Cancer Screening Pap test VIA VILI or HPV failed to stop cervical cancer worldwide simply because many countries could not afford developing infrastructure necessary to carry on the global strategy and because the outreach could not accomplish the targeted 51% of the population at risk In 2015 there is still 600 000 women getting cervical cancer annually and 300 000 of them die Every minute one woman gets cervical cancer and every 2 minutes one woman dies from this preventable disease In 21st Century the Information Technology IT Revolution has made substantial impact on medicine enabling remote points of care scattered around the world to be connected with experts in distant medical centers and to obtain quality diagnosis and proper guidelines for curative therapy of early stages of cervical cancer Low frequency of costly interventions needed makes IT based screening financially and socially beneficial for mass screening This new Mobile Health technology with the Global Strategy for Fighting Cervical Cancer is subject to elaboration in our book as the new hope when old efforts have failed to stop the world epidemics of this grave but preventable disease The language is adapted for easy reading and understanding by professionals and lay persons This book is intended for women at risk for cervical cancer their health care providers health insurance companies government responsible for making health policy and healthcare industry because all of them have special role in the new Global Strategy elaborated in details in this book *Pretesting in Health Communications* ,1981 *Industrial Standardization and Commercial Standards Monthly* ,1940 *Twins in Her Womb: Sir President, Please be Gentle* Heap Heap, It was supposed to be a routine test tube baby situation but suddenly everything went wrong The problem was Master Luke Crawford the heir to the Crawford empire mature and composed cold and domineering Once he put his mind to it there was nothing in the world he could not do She had thought that they would go their completely separate ways after she delivered the children Five years later however the man dragged two adorable babies along and waited for her in front of her dorms despite everyone watching Mr Crawford was cold and emotionless in front of everyone else but in front of her
