**The Serial Killer Files** Paul Simpson, 2017-05-18 There are many myths about serial killers that they are all dysfunctional loners all white males only motivated by sex that they all travel and operate across a wide area cannot stop killing are all insane or evil geniuses and that they all want to get caught Of course there are some serial killers who fit into these categories but the married Green River Killer was not a dysfunctional loner there are plenty of female and non Caucasian serial killers Dr Harold Shipman was certainly not motivated by sex many serial killings such as the Ipswich prostitute murders carried out by Steve Wright happen within a confined area the BTK Killer Dennis Rader stopped killing in 1991 but wasn't caught until fourteen years later Many serial killers may have a low animal cunning or be street smart but few of them are Mensa level geniuses Each of the thirty cases covered here is unusual in some respect perhaps in the way in which the killer carried out their crimes the choice of victims the way in which they were apprehended or the method of their execution The cases are presented alphabetically by country from Australia via Colombia Great Britain Indonesia Iran South Africa and elsewhere to the United States and then chronologically They come from across history and from all over the world The author has gone back as far as possible to contemporary source material newspaper accounts trial evidence interviews with perpetrators or survivors rather than rely on the increasingly blurred truth to be found online and in far too many collections *Murder & Mayhem on Chicago's North Side* Troy Taylor, 2019-02-18 The author of *Haunted Illinois* visits the criminal history of the Windy City neighborhood where mobsters and murderers plied their trades In 1929 Chicago gangster Al Capone arranged a special St Valentine's Day delivery for his favorite arch enemies a massacre Seven North Side mobsters were left dead Yet random killings and bizarre murders were not unfamiliar in Chicago Tales of the city's most violent and puzzling murders make this gripping work truly hair raising a deranged stalker kills his love object and then himself a sausage maker uses the tools of his trade to rid himself of his wife and a meticulous serial killer cleans his dead victim's wounds before taping them closed Through accounts dripping with mystery gory details and suspense Troy Taylor brilliantly tells the twisted history of Chicago's North Side Includes photos *Murder of the Doctor's Wife: The 1867 Crimes*

of *Bridget Durgan (A Historical True Crime Short)* R. Barri Flowers, From R Barri Flowers award winning criminologist and bestselling author of *Murder During the Chicago World's Fair* *Murder at the Pencil Factory* and *Murder of the Banker's Daughter* comes the riveting historical true crime short *Murder of the Doctor's Wife* The 1867 Crimes of Bridget Durgan On the evening of Monday February 25 1867 Mary Ellen Coriell was brutally murdered at her home in Newmarket New Jersey The cold blooded nature of the murder was shocking enough for residents of the town and elsewhere but even more disturbing was that the culprit turned out to be the victim's housemaid an attractive young Irishwoman named Bridget Durgan The circumstances surrounding the murder including jealousy obsession and delusion were as old as time itself The crime would come at a very steep price for the murderess who would be executed for the heinous act The death of Mary Ellen Coriell also weighed heavily on the object of Bridget's affections the heartbroken victim's husband Dr William Coriell who would be left to care for the couple's young daughter alone The unspeakable tragedy would also be felt throughout the community for many years to come The sad tale of Mary Ellen Coriell's untimely demise at the hands of someone she trusted and was ultimately betrayed by is a must for students of history true crime and homicide A complete bonus story *Murder of the French Lover* chronicles the May 21 1892 scandalous murder of Madame Lassimonne in Paris France by romantic rival Claire Reymond and its stunning outcome Other bonus material include excerpts from R Barri Flowers bestselling true crime shorts *Murder During the Chicago World's Fair* *Dead at the Saddleworth Moor* *Missing or Murdered* and an excerpt from the author's true crime book *Serial Killers and Prostitutes Follow* R Barri Flowers on Twitter Facebook Pinterest LinkedIn Goodreads LibraryThing YouTube Flickr Wikipedia and [www.rbarriflowers.com](http://www.rbarriflowers.com) [Jealous Rage: Stunning True Tales of Intimates, Passion, and Murder \(Volume 1\)](#) R.
